SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-93739; File No. SR-BX-2021-053]

Self-Regulatory Organizations; Nasdaq BX, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend BX's Pricing Schedule at Options 7, Section 1, General Provisions

December 8, 2021.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the "Act"),² and Rule 19b-4 thereunder,³ notice is hereby given that on December

¹ 15 U.S.C. 78s(b)(1).

² 15 U.S.C. 78a.

³ 17 CFR 240.19b-4.

1, 2021, Nasdaq BX, Inc. ("BX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend BX's Pricing Schedule at Options 7, Section 1, General Provisions.

While the changes proposed herein are effective upon filing, the Exchange has designated the amendments become operative on December 1, 2021.

The text of the proposed rule change is available on the Exchange's website at <https://listingcenter.nasdaq.com/rulebook/bx/rules>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

BX proposes to amend its Pricing Schedule at Options 7, Section 1, General Provisions. Specifically, BX proposes to amend the way an Exchange Participant indicates its participation in the Affiliated Entity Program. Specifically, the Exchange proposes to amend the description of "Affiliated Entity" within Options 7, Section 1, General Provisions. Currently, the term "Affiliated Entity" is described as,

a relationship between an Appointed MM and an Appointed OFP for purposes of aggregating eligible volume for pricing in Options 7, Section 2(1) for which a volume threshold or volume percentage is required to qualify for higher rebates or lower fees. BX Options Market Makers and OFPs are required to send an email to the Exchange to

appoint their counterpart, at least 3 business days prior to the last day of the month to qualify for the next month. The Exchange will acknowledge receipt of the emails and specify the date the Affiliated Entity is eligible for applicable pricing in Options 7, Section 2(1). Each Affiliated Entity relationship will commence on the 1st of a month and may not be terminated prior to the end of any month. An Affiliated Entity relationship will terminate after a one (1) year period, unless either party terminates earlier in writing by sending an email to the Exchange at least 3 business days prior to the last day of the month to terminate for the next month. Affiliated Entity relationships must be renewed annually. Participants under Common Ownership may not qualify as a counterparty comprising an Affiliated Entity. Each Participant may qualify for only one (1) Affiliated Entity relationship at any given time.

Today, Participants are required to annually renew their Affiliate Entity relationship at the end of one year if they desire to continue the relationship. The parties must both send an email to the Exchange to avoid termination of the relationship, provided the relationship was not terminated earlier in the year. The Exchange believes that this process is burdensome for Participants that desire to remain in the program. The consequence of not renewing is termination. The Exchange desires to remove the administrative burden associated with the requirement to annually renew and instead provide that the Affiliated Entity relationship will automatically renew each month, unless otherwise terminated. The proposed new rule text would provide,

The term “Affiliated Entity” is a relationship between an Appointed MM and an Appointed OFP for purposes of aggregating eligible volume for pricing in Options 7, Section 2(1) for which a volume threshold or volume percentage is required to qualify for higher rebates or lower fees. BX Options Market Makers and OFPs are required to send an email to the Exchange to appoint their counterpart, at least 3 business days prior to the last day of the month to qualify for the next month. The Exchange will acknowledge receipt of the emails and specify the date the Affiliated Entity is eligible for applicable pricing in Options 7, Section 2(1). Each Affiliated Entity relationship will commence on the 1st of a month and may not be terminated prior to the end of any month. An Affiliated Entity relationship will automatically renew each month until or unless either party terminates earlier in writing by sending an email to the Exchange at least 3 business days prior to the last day of the month to terminate for the next month. Participants under Common Ownership may not qualify as a counterparty comprising an Affiliated Entity. Each Participant may qualify for only one (1) Affiliated Entity relationship at any given time.

As is the case today, parties to the Affiliated Entity relationship may decide to terminate the relationship during any month by sending an email to the Exchange at least 3 business days prior to the last day of the month to terminate for the next month. Cboe Exchange, Inc. (“Cboe”) has a similar automatic renewal process for its Appointed OFP and Appointed Market-Maker Program.⁴ The Exchange believes that this amendment will streamline the workflow for Participants by not requiring Participants to renew each year to continue the affiliated relationship.

2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,⁵ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,⁶ in particular, in that it provides for the equitable allocation of reasonable dues, fees, and other charges among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

The Exchange’s proposal to amend the way Exchange Participants indicate their participation in the Affiliated Entity Program is reasonable. Today, Participants are required to annually renew their Affiliated Entity relationship at the end of one year if they desire to continue the relationship. The parties must both send an email to the Exchange to avoid termination of the relationship, provided the relationship was not terminated earlier in the year. The Exchange believes that this process is burdensome for Participants that desire to remain in the program. The consequence of not renewing is termination of their participation in the

program. The Exchange desires to remove the administrative burden associated with the requirement to annually renew and instead provide that the Affiliated Entity relationship will automatically renew each month, unless otherwise terminated. As is the case today, parties to the Affiliated Entity relationship may decide to terminate the relationship during any month by sending an email to the Exchange at least 3 business days prior to the last day of the month to terminate for the next month. Also, Cboe has a similar automatic renewal process for its Appointed OFP and Appointed Market-Maker Program.⁷ The Exchange believes that this amendment will streamline the workflow for Participants by not requiring Participants to renew each year to continue the affiliated relationship.

The Exchange’s proposal to amend the way Exchange Participants indicate their participation in the Affiliated Entity Program is equitable and not unfairly discriminatory. Today, any Participant may participate in the Affiliated Entity Program. The proposed changes would impact all Participants that voluntarily elect to participate in the Affiliated Entity Program in a uniform manner.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

Inter-Market Competition

The proposal does not impose an undue burden on inter-market competition. Cboe has a similar automatic renewal process for its Appointed OFP and Appointed Market-

⁴ See Cboe’s Fees Schedule at footnote 23 “A Market-Maker may designate an Order Flow Provider (“OFP”) as its “Appointed OFP” and an OFP may designate a Market-Maker to be its “Appointed Market-Maker” for purposes of qualifying for credits under AVP. In order to effectuate the appointment, the parties would need to submit the Appointed Affiliate Form to the Exchange by 3:00 p.m. CST on the first business day of the month in order to be eligible to qualify for credits under AVP for that month. The Exchange will recognize only one such designation for each party once every calendar month, which designation will automatically renew each month until or unless the Exchange receives an email from either party indicating that the appointment has been terminated. A Market-Maker that has both an Affiliate OFP and Appointed OFP will only qualify based upon the volume of its Appointed OFP. The volume of an OFP that has both an Affiliate Market-Maker and Appointed Market-Maker will only count towards qualifying the Appointed Market-Maker. Volume executed in open outcry is not eligible to receive a credit under AVP.”

⁶ 15 U.S.C. 78f(b)(4) and (5).

⁷ See Cboe’s Fees Schedule at footnote 23 “A Market-Maker may designate an Order Flow Provider (“OFP”) as its “Appointed OFP” and an OFP may designate a Market-Maker to be its “Appointed Market-Maker” for purposes of qualifying for credits under AVP. In order to effectuate the appointment, the parties would need to submit the Appointed Affiliate Form to the Exchange by 3:00 p.m. CST on the first business day of the month in order to be eligible to qualify for credits under AVP for that month. The Exchange will recognize only one such designation for each party once every calendar month, which designation will automatically renew each month until or unless the Exchange receives an email from either party indicating that the appointment has been terminated. A Market-Maker that has both an Affiliate OFP and Appointed OFP will only qualify based upon the volume of its Appointed OFP. The volume of an OFP that has both an Affiliate Market-Maker and Appointed Market-Maker will only count towards qualifying the Appointed Market-Maker. Volume executed in open outcry is not eligible to receive a credit under AVP.”

Maker Program⁸ as proposed herein for the Affiliated Entity Program.

Intra-Market Competition

The Exchange's proposal to amend the way Exchange Participants indicate their participation in the Affiliated Entity Program does not impose an undue burden on competition. Today, any Participant may participate in an Affiliated Entity relationship. The proposed changes would impact all Participants that voluntarily elect to participate in the Affiliated Entity Program in a uniform manner.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.⁹

If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
