V. Additional Board Determinations for Funds Whose Stock Trades at a Premium:

If:

A. The Fund's common stock has traded on the exchange on which it primarily trades at the time in question at an average premium to NAV equal to or greater than 10%, as determined on the basis of the average of the discount or premium to NAV of the Fund's common stock as of the close of each trading day over a 12-week rolling period (each such 12-week rolling period ending on the last trading day of each week); and

B. The Fund's annualized distribution rate for such 12-week rolling period, expressed as a percentage of NAV as of the ending date of such 12-week rolling period, is greater than the Fund's average annual total return in relation to the change in NAV over the 2-year period ending on the last day of such 12-week rolling period; then:

1. At the earlier of the next regularly scheduled meeting or within four months of the last day of such 12-week rolling period, the Board, including a majority of the Independent Trustees:

(a) Will request and evaluate, and the Adviser will furnish, such information as may be reasonably necessary to make an informed determination of whether the Plan should be continued or continued after amendment;

(b) will determine whether continuation, or continuation after amendment, of the Plan is consistent with the Fund's investment objective(s) and policies and in the best interests of the Fund and its stockholders, after considering the information in condition V.B.1.a above; including, without limitation:

(1) Whether the Plan is accomplishing its purpose(s);

(2) the reasonably foreseeable effects of the Plan on the Fund's long-term total return in relation to the market price and NAV of the Fund's common stock; and

(3) the Fund's current distribution rate, as described in condition V.B above, compared to with the Fund's average annual total return over the 2-year period, as described in condition V.B, or such longer period as the Board deems appropriate; and

(c) based upon that determination, will approve or disapprove the continuation, or continuation after amendment, of the Plan; and

2. The Board will record the information considered by it and the basis for its approval or disapproval of the continuation, or continuation after amendment, of the Plan in its meeting minutes, which must be made and preserved for a period of not less than six years from the date of such meeting, the first two years in an easily accessible place.

VI. Public Offerings:

The Fund will not make a public offering of the Fund's common stock other than:

A. A rights offering below NAV to holders of the Fund's common stock;

B. an offering in connection with a dividend reinvestment plan, merger, consolidation, acquisition, spin-off or reorganization of the Fund; or

C. an offering other than an offering described in conditions VI.A and VI.B above, unless, with respect to such other offering:

1. the Fund's average annual distribution rate for the six months ending on the last day of the month ended immediately prior to the most recent distribution record date,⁴ expressed as a percentage of NAV per share as of such date, is no more than

1 percentage point greater than the Fund's average annual total return for the 5-year period ending on such date;⁵ and

2. the transmittal letter accompanying any registration statement filed with the Commission in connection with such offering discloses that the Fund has received an order under section 19(b) to permit it to make periodic distributions of long-term capital gains with respect to its common stock as frequently as twelve times each year, and as frequently as distributions are specified in accordance with the terms of any outstanding preferred stock that such Fund may issue.

VII. Amendments to Rule 19b-1:

The requested relief will expire on the effective date of any amendment to rule 19b-1 that provides relief permitting certain closed-end investment companies to make periodic distributions of long-term capital gains with respect to their outstanding common stock as frequently as twelve times each year.
