### National Committee on Vital and Health Statistics: Meeting

Pursuant to the Federal Advisory Committee Act, the Department of Health and Human Services (HHS) announces the following advisory committee meeting.

**Name:** National Committee on Vital and Health Statistics (NCVHS).

**Time and Date:** November 28, 2006, 9 a.m.–3:15 p.m. November 29, 2006, 9 a.m.–12 p.m.

**Place:** Hubert H. Humphrey Building, 200 Independence Avenue SW., Room 505A, Washington, DC 20201.

**Status:** Open.

**Purpose:** At this meeting the Committee will hear presentations and hold discussions on several health data policy topics. On the morning of the first day the Committee will hear updates and status reports from the Department on various topics including activities of the HHS Data Council, and updates on HIPAA implementation, clinical data standards, the E-Prescribing Final Rule, and Privacy Rule compliance. They will also work on letters to the HHS Secretary on the National Provider Identifier (NPI), and applications of the Consolidated Health Informatics Initiative (CHI) for disability information. In the afternoon the Committee will discuss the 8th report to Congress on HIPAA implementation and hear updates from Subcommittees. A briefing on secondary uses of health data by an industry group has also been scheduled.

On the morning of the second day the Committee will continue working on the NPI and CHI letters. They will also be briefed on the status of the Health Information Security Privacy Collaboration, a project designed to assess how organizational business policies, practices, and State laws regarding privacy and security affect health information exchanging on a national level. There will be an update from the National Center for Health Statistics's Board of Scientific Counselors and a discussion on International Classifications and related activities. Subcommittees will then have the opportunity to provide additional updates on their work and a short discussion of future agendas and the meeting will adjourn.

The times shown above are for the full Committee meeting. Subcommittee breakout sessions are scheduled for late in the afternoon of the first day and in the morning prior to the full Committee meeting on the second day. Agendas for

these breakout sessions will be posted on the NCVHS Web site (URL below) when available.

**Contact Person for More Information:** Substantive program information as well as summaries of meetings and a roster of committee members may be obtained from Marjorie S. ## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Centers for Medicare & Medicaid Services

#### Privacy Act of 1974; Report of a New System of Records

**AGENCY:** Department of Health and Human Services (HHS), Center for Medicare & Medicaid Services (CMS).

**ACTION:** Notice of a new system of records (SOR).

**SUMMARY:** In accordance with the requirements of the Privacy Act of 1974, we are proposing to establish a new system titled, "Evaluation of Drug Usage Under the Staff Time and Resource Intensity Verification Study (STRIVE), System No. 09-70-0595." Section 1888(e)(G) of the Social Security Act (the Act) authorizes the Secretary of HHS to provide for payment adjustments to the skilled nursing facility (SNF) prospective payment system (PPS) through a resident classification system established by the Secretary that accounts for the relative resource utilization of different patient types. The case mix adjustment shall be based on resident assessment data and other data the Secretary considers appropriate. To accomplish this task, CMS is currently undertaking a national nursing home time study known as STRIVE, of which this data will be a part.

The purpose of this system is to collect and maintain during the STRIVE time study individually identifiable information on selected beneficiaries' medication utilization while in a nursing home, skilled nursing facility or swing bed hospital. Information retrieved from this system may be disclosed to: (1) Support regulatory, reimbursement, and policy functions performed within the agency or by a contractor, grantee, or consultant. We have provided background information about the new system in the **SUPPLEMENTARY INFORMATION** section below. Although the Privacy Act requires only that CMS provide an opportunity for interested persons to comment on the proposed routine uses, CMS invites comments on all portions of this notice. See *Effective Date* section for comment period.

**DATES:** *Effective Date:* CMS filed a new SOR report with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Homeland Security & Governmental Affairs, and the Administrator, Office of Information and Regulatory Affairs, Office of

Management and Budget (OMB) on October 27, 2006. To ensure that all parties have adequate time in which to comment, the new system will become effective 30 days from the publication of the notice, or 40 days from the date it was submitted to OMB and the Congress, whichever is later. We may defer implementation of this system or one or more of the routine use statements listed below if we receive comments that persuade us to defer implementation.

**ADDRESSES:** The public should address comment to the CMS Privacy Officer, Division of Privacy Compliance, Enterprise Architecture and Strategy Group, Office of Information Services, Mail-stop N2-04-27, 7500 Security Boulevard, Baltimore, Maryland 21244-1850. Comments received will be available for review at this location by appointment during regular business hours, Monday through Friday from 9 a.m.-3 p.m., eastern time.

**FOR FURTHER INFORMATION CONTACT:** Julie Stankivic, Division of Institutional Post Acute Care, Chronic Care Policy Group, Center for Medicare Management, Mail Stop C5-06-27, Centers for Medicare & Medicaid Services, 7500 Security Boulevard, Baltimore, MD 21244-1849. She can be reached by telephone at 410-786-5725, or via e-mail at [Julie.Stankivic@cms.hhs.gov](mailto:Julie.Stankivic@cms.hhs.gov).

**SUPPLEMENTARY INFORMATION:** Section 4008(k) of the Omnibus Reconciliation Act of 1990 (Public Law (Pub. L.) 101-508) required the Secretary to develop a proposal either to modify the then-current system under which SNFs received payment for extended care services under Part A of the Medicare program or to replace such a system with a system under which such payment would be made on the basis of a prospectively determined rate. In developing a proposal for the new system, the Secretary was required to "provide for adjustments to prospectively determined rates to account for changes in a facility's case mix, volume of cases, and the development of new technologies and standards for medical practice." Section 4432 of the Balanced Budget Act of 1997 (Pub. L. 105-33) mandated a PPS for all SNFs for cost reporting periods beginning on or after July 1, 1998.

Resident drug data may enable CMS to recalibrate the weights associated with the provision of non-therapy ancillary services to residents in SNFs and swing bed hospitals subject to the SNF PPS. In order to adjust the rates to account for changes in a facility's case mix, volume of cases and development of new technologies and standards of
