DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services

FY 2004 Community Policing Discretionary Grants

AGENCY: Office of Community Oriented Policing Services, Department of Justice.

ACTION: Notice of funding availability.

SUMMARY: The Department of Justice Office of Community Oriented Policing Services (COPS) announces the availability of the COPS in Schools grant program, which will assist law enforcement agencies in hiring new, additional School Resource Officers (SROs) to engage in community policing in and around primary and secondary schools. This program provides an incentive for law enforcement agencies to build collaborative partnerships with the school community and to use community policing efforts to combat

school violence. The School Resource Officer must devote at least 75% of their time to work in and around primary and secondary schools, in addition to the time that your agency was devoting in the absence of the COPS in Schools grant.

The COPS in Schools program provides a maximum federal contribution of up to \$125,000 per officer position over the three-year grant period, with any remaining costs to be paid with local funds. Officers paid with COPS in Schools funding can only be hired on or after the grant award start date. In addition, all jurisdictions that apply must demonstrate that they have primary law enforcement authority over the school(s) identified in their application and demonstrate their inability to implement this project without federal assistance.

DATES: There will be one application deadline for the COPS in Schools (CIS) program in 2004: May 17, 2004. All applications must be postmarked on or before the final deadline date of May 17, 2004 to be considered for funding. All grant awards are subject to the availability of funding. Previous editions of the COPS in Schools application developed prior to March of 2004 will not be accepted.

ADDRESSES: To obtain a copy of the CIS 2004 Application Kit please call the U.S. Department of Justice Response Center at 1 (800) 421-6770 or visit the COPS Web site at <http://www.cops.usdoj.gov> or <http://www.grants.gov>.

FOR FURTHER INFORMATION CONTACT: Please contact the U.S. Department of Justice Response Center at 1 (800) 421-6770 or your COPS Grant Program Specialist. Additional information on the COPS in Schools program and the COPS Office in general is also available on the COPS Web site at: <http://www.cops.usdoj.gov>.

Overview

The Violent Crime Control and Law Enforcement Act of 1994 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers to increase or enhance community policing in this nation. Many communities are discovering that trained, sworn law enforcement officers assigned to schools play an integral part in the development and/or enhancement of a comprehensive school safety plan. The presence of these officers provides schools with a direct link to local law enforcement agencies. School Resource Officers (SROs) may serve in a variety of roles including, but

not limited to, that of a law enforcement officer/safety specialist, law-related educator, and problem solver/community liaison. These officers may teach programs such as crime prevention, substance abuse prevention, and gang resistance as well as monitor and assist troubled students through mentoring programs. The School Resource Officer(s) may also identify physical changes in the environment that may reduce crime in and around the schools, as well as assist in developing school policies which address criminal activity and school safety.

COPS in Schools funding must be used to hire new, additional School Resource Officers, over and above the overall number of sworn officers that your agency would fund with state or local funds in the absence of the grant (including other School Resource Officers). Your agency may not reduce its overall state, locally-funded or Bureau of Indian Affairs funded level of sworn officers (including other School Resource Officers or other sworn officers assigned to the schools) as a result of applying for or receiving COPS in Schools grant funding. In addition, your agency may not reduce the number of SRO's or other sworn officers assigned to schools as a result of applying for or receiving COPS in Schools grant funding. For example, agencies currently employing one locally-funded School Resource Officer (or any other officer assigned to the school) that are awarded a School Resource Officer under the COPS in Schools program should thereafter employ two School Resource Officers (one locally-funded and one COPS-funded). COPS in Schools funding may be used to rehire sworn officers previously employed by your agency who have been laid off for financial reasons unrelated to the availability of the COPS in Schools grant, but your agency must obtain prior written approval from the COPS Office.

At the time of application, all applicants must agree to plan for the retention of each COPS-funded COPS in Schools position awarded at the conclusion of Federal funding for at least one full local budget cycle with local, State or other non-COPS funding. The application must also include a Memorandum of Understanding (MOU), signed by the law enforcement executive and the appropriate school official(s), to document the roles and responsibilities to be undertaken by the law enforcement agency and the educational school partner(s) through this collaborative effort. The application must also include a Narrative

Addendum to document that the School Resource Officer(s) will be assigned to work in and around primary or secondary schools and provide supporting documentation in the following areas: problem identification and justification, community policing strategies to be used by the officers, quality and level of commitment to the effort, and the link to community policing.

All agencies receiving awards through the COPS in Schools program are required to send the officer(s) deployed into the School Resource Officer position(s) as a result of this grant, and one individual designated as the School Representative under the grant program, to attend one COPS in Schools Training. The COPS Office will reimburse grantees for training, per diem, travel, and lodging costs for attendance of required participants up to a maximum of \$1,200 per person attending. Should your agency receive a COPS in Schools grant, your agency will receive additional training information following notification of the grant award. The COPS in Schools training requirement must be completed prior to the end of your 36 months of grant funding for officer positions.

The Catalog of Federal Domestic Assistance (CFDA) reference for this program is 16.710.

Dated: March 19, 2004.

DEPARTMENT OF JUSTICE

Office of Community Oriented Policing Services FY 2004 Community Policing Discretionary Grants

AGENCY: Office of Community Oriented Policing Services, Department of Justice.

ACTION: Notice of funding availability.

SUMMARY: The Department of Justice Office of Community Oriented Policing Services (COPS) announces the availability of funds under the Tribal Resources Grant Program, a program designed to meet the most serious needs of law enforcement in Indian communities through a comprehensive grant program that will offer a variety of funding options including: Basic and/or specialized training for sworn law

enforcement officers; training in community policing, grant management and computer training; uniforms and basic issue equipment; department-wide technology; and police vehicles. This program, which complements the COPS Office's efforts to fund and support innovative community policing, will enhance law enforcement infrastructures and community policing efforts in tribal communities which have limited resources and are affected by high rates of crime and violence.

Applications should reflect the department's most serious law enforcement needs and must link these needs to the implementation or enhancement of community policing.

All Federally Recognized Tribes with established police departments are eligible to apply. Federally Recognized Tribes may also apply as a consortium with a written partnership agreement that names a lead agency and describes how requested resources will serve the consortium's population. In addition, tribes that are currently served by Bureau of Indian Affairs (BIA) law enforcement may request funding under this grant program to supplement their existing police services. Tribes whose law enforcement services are exclusively provided by local policing agencies through a contract agreement are not eligible under the COPS TRGP program, but may be eligible to apply to the COPS in Schools program for police officer positions only.

DATES: Applications will be available in early April. Federally Recognized Tribes or villages that wish to apply may request an application from the COPS Office. The deadline for the submission of applications is May 28, 2004.

Applications must be post marked by May 28, 2004, to be considered eligible.

ADDRESSES: To obtain an application or for more information, call the U.S. Department of Justice Response Center at 1-800-421-6770. A copy of the application kit will also be available in April on the COPS Office Web site at: <http://www.cops.usdoj.gov>.

FOR FURTHER INFORMATION CONTACT: The U.S. Department of Justice Response Center, 1-800-421-6770 and ask to speak with your Tribal Grant Program Specialist.

SUPPLEMENTARY INFORMATION:

Overview

The Violent Crime Control and Law Enforcement Act of 1994 (Pub. L. 103-322) authorizes the Department of Justice to make grants to increase deployment of law enforcement officers devoted to community policing on the streets and rural routes in this nation.

The Tribal Resources Grant Program was developed to meet the most serious needs of law enforcement in tribal communities through a comprehensive grant program that will offer a variety of funding options.

This program will enhance law enforcement infrastructures and community policing efforts in these tribal communities, many of which have limited resources and are affected by high rates of crime and violence.

The Tribal Resources Grant Program is part of a larger federal initiative which over the last six years has resulted in the Departments of Interior and Justice working in collaboration to improve law enforcement in tribal communities. Funding has been appropriated to several DOJ agencies including the FBI, the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP) and the COPS Office. COPS is coordinating with these agencies as well as with the Office of Law Enforcement Services of the Bureau of Indian Affairs to ensure that limited resources are not spent on duplicative efforts.

A total of \$25 million in funding will be available under the Tribal Resources Grant Program. The grant will cover a maximum federal share of 75% of total project costs. A local match requirement of at least 25% of the total project costs is included in this program. A waiver of the local match requirement may be requested but will be granted only on the basis of documented demonstrated fiscal hardship. Requests for waivers must be submitted with the application.

Tribes whose law enforcement services are exclusively provided by local policing agencies through contract arrangements are not eligible under this COPS program. However, tribes that do not meet the eligibility requirements for this program may be eligible to apply to the COPS in Schools program for police officer positions only.

Receiving an award under the Tribal Resources Grant Program will not preclude grantees from future consideration under other COPS grant program for which they are eligible.

The Catalog of Federal Domestic Assistance (CFDA) reference for this program is 16.710.

Dated: March 19, 2004.
