[Docket No. TX20-6-000]

TGP Battery Storage, LLC; Notice of Filing

Take notice that on June 17, 2020, pursuant to sections 211 of the Federal Power Act, as amended,¹ and Rule 211 and 214 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure,² TGP Battery Storage, LLC (TGP) filed an application requesting that the Commission issue an order directing San Diego Gas & Electric Company (SDG&E) to provide interconnection and transmission services for delivery of the output from TGP's proposed Valley Center Renewable solar photovoltaic and battery energy storage generating facility across SDG&E's Participating Transmission Owner Interconnection Facilities to a Point of Interconnection with the California Independent System Operator Corporation Controlled Grid, including Network Upgrades to be constructed to accommodate service to TGP.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by

the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

In addition to publishing the full text of this document in the **Federal Register**, the Commission provides all interested persons an opportunity to view and/or print the contents of this document via the internet through the Commission's Home Page (<http://ferc.gov>) using the eLibrary link.
