Manual for Courts-Martial; Proposed Amendments

AGENCY: Joint Service Committee on Military Justice (JSC).

ACTION: Notice of Public Response to Proposed Amendments to the Manual

for Courts-Martial, United States (2008 ed.) (MCM).

SUMMARY: The JSC is forwarding final proposed amendments to the MCM to the Department of Defense. The proposed changes constitute the 2009 annual review required by the MCM and DoD Directive 5500.17, "Role and Responsibilities of the Joint Service Committee (JSC) on Military Justice," May 3, 2003. The proposed changes concern the rules of procedure and evidence and the punitive articles applicable in trials by courts-martial. These proposed changes have not been coordinated within the Department of Defense under DoD Directive 5500.1, "Preparation, Processing and Coordinating Legislation, Executive Orders, Proclamations, Views Letters Testimony," June 15, 2007, and do not constitute the official position of the Department of Defense, the Military Departments, or any other Government agency.

ADDRESSES: Comments and materials received from the public are available for inspection or copying at the Office of the Judge Advocate General, Criminal Law Division (Code 20), 1254 Charles Morris Street, SE., Suite B01, Washington Navy Yard, District of Columbia between 9 a.m. and 4 p.m., Monday through Friday, except Federal Holidays.

FOR FURTHER INFORMATION CONTACT: Lieutenant Commander Stacia Gawronski, Executive Secretary, Joint Service Committee on Military Justice, 1254 Charles Morris Street, SE., Suite B01, Washington Navy Yard, District of Columbia 20374, (202) 685-7683, (202) 685-7084 fax.

SUPPLEMENTARY INFORMATION:

Background

On 17 September 2009, the JSC published a notice of Proposed Amendments to the Manual for Courts-Martial and a Notice of Public Meeting to receive comments on these proposals. The public meeting was held on 29 October 2009. One individual representing an organization spoke at the public meeting to announce that the organization would be submitting written comments. One individual and one organization submitted comments through the **Federal Register** electronic bulletin board.

Discussion of Comments and Changes

The JSC considered the public comments and decided to modify the proposed addition of a paragraph addressing child pornography under Article 134 in Part IV of the MCM. The JSC is satisfied the other proposed

amendments are appropriate to implement without modification. The JSC will forward the public comments and proposed amendments to the Department of Defense.

The public comments regarding the proposed changes follow:

a. Recommended that the proposed 'Child pornography' addition to Article 134, UCMJ, should be broadened to include the female breast. The JSC considered that broadening the definition in this way would be over inclusive and did not want to unintentionally criminalize conduct or depictions not sexual in nature (for example, a picture of a baby in the bath).

b. Opined the proposed change to Military Rule of Evidence (M.R.E.) 504 regarding spousal privilege does not seem to limit the privilege in a logical manner. For example, if a husband and wife both provided illegal drugs to a 12-year-old, the spouses would not be allowed to invoke their privilege against testifying against each other. However, if the wife was engaged in a sexual relationship with the same non-relative, 12-year-old (and not acting *in loco parentis*), and the wife told the husband about the relationship, the marital privilege would remain intact. The JSC considered that adultery is a crime against the person of the other spouse for purposes of M.R.E. 504(c)(2)(A) under *U.S. v. Taylor*, 64 M.J. 416 (C.A.A.F. 2007), and therefore, the marital privilege would not remain intact in the second example given.

c. Raised several concerns regarding the adequacy of the rule-making process itself. The JSC considered these concerns and determined that the rulemaking process is adequate, satisfies statutory requirements, and provides meaningful opportunity for public participation.

Proposed Amendments After Period for Public Comment

The proposed recommended amendments to the Manual for Courts-Martial to be forwarded through the DoD for action by Executive Order of the President of the United States are as follows:

Section 1. Part III of the Manual for Courts-Martial, United States, is amended as follows:

(a) M.R.E. 504 (c)(2)(D) is added to read as follows:

"(D) Where both parties have been substantial participants in illegal activity, those communications between the spouses during the marriage regarding the illegal activity in which they have jointly participated are not marital communications for purposes of

the privilege in subdivision (b), and are not entitled to protection under the privilege in subdivision (b)."

(b) The following amendments conform M.R.E. 609 to F.R.E. 609:

(1) M.R.E. 609 (a) is amended to substitute the words "character for truthfulness" for the word "credibility."

(2) M.R.E. 609 (a)(2) is amended to substitute the words "regardless of the punishment, if it readily can be determined that establishing the elements of the crime required proof or admission of an act of dishonesty or false statement by the witness" for the words "if it involved dishonesty or false statement, regardless of the punishment."

(3) M.R.E. 609 (c) is amended to substitute the words "a subsequent crime that was punishable by death, dishonorable discharge, or imprisonment in excess of one year" for the words "a subsequent crime which was punishable by death, dishonorable discharge, or imprisonment in excess of one year."

Section 2. Part IV of the Manual for Courts-Martial, United States, is amended as follows:

(a) Paragraph 13, Article 89, Disrespect toward a superior commissioned officer, paragraph c.(1) is amended to substitute the words "uniformed service" for "armed forces" everywhere the words "armed forces" appear in that paragraph. This change is made to clarify that the uniformed officers of the Public Health Service and the National Oceanographic and Atmospheric Administration, when assigned to and serving with the armed forces, are included in the definition of a superior commissioned officer.

(b) A clerical amendment is made to Paragraph 35, Article 111, Drunken or reckless operation of vehicle, aircraft or vessel, paragraph f to read as follows:

"(f) *Sample Specification.*

In that ____ (personal jurisdiction data), did (at/on board—location) (subject matter jurisdiction data, if required), on or about ____, 20__, (in the motor pool area) (near the Officer's Club) (at the intersection of ____ and ____) (while in the Gulf of Mexico) (while in flight over North America) physically control [a vehicle, to wit: (a truck) (a passenger car) (____)] [an aircraft, to wit: (an AH-64 helicopter) (an F-14A fighter) (a KC-135 tanker) (____)] [a vessel, to wit: (the aircraft carrier USS ____ (the Coast Guard Cutter ____) (____)], [while drunk] [while impaired by ____] [while the alcohol concentration in his (blood or breath) equaled or exceeded the applicable limit under subparagraph (b) of the text of the statute in paragraph 35 as shown by

chemical analysis] [in a (reckless) (wanton) manner by (attempting to pass another vehicle on a sharp curve) (by ordering that the aircraft be flown below the authorized altitude)] [and did thereby cause said (vehicle) (aircraft) (vessel) to (strike and) (injure ____)].”

(c) A clerical amendment is made to Paragraph 48, Article 123, Forgery, paragraph c.(4) to add the word “to” after the word “liability” the second time it appears in the fifth sentence.

(d) Paragraph 68b. is added as follows:

“68b. Article 134—(Child pornography)

a. *Text.* See paragraph 60.

b. *Elements.*

(1) *Possessing, receiving, or viewing child pornography.*

(a) That the accused knowingly and wrongfully possessed, received or viewed child pornography; and

(b) That under the circumstances, the conduct of the accused was to the prejudice of good order and discipline in the armed forces or was of a nature to bring discredit upon the armed forces.

(2) *Possessing child pornography with intent to distribute.*

(a) That the accused knowingly and wrongfully possessed child pornography;

(b) That the possession was with the intent to distribute; and

(c) That under the circumstances, the conduct of the accused was to the prejudice of good order and discipline in the armed forces or was of a nature to bring discredit upon the armed forces.

(3) *Distributing child pornography.*

(a) That the accused knowingly and wrongfully distributed child pornography to another; and

(b) That under the circumstances, the conduct of the accused was to the prejudice of good order and discipline in the armed forces or was of a nature to bring discredit upon the armed forces.

(4) *Producing child pornography.*

(a) That the accused knowingly and wrongfully produced child pornography; and

(b) That under the circumstances, the conduct of the accused was to the prejudice of good order and discipline in the armed forces or was of a nature to bring discredit upon the armed forces.

c. *Explanation.*

(1) “Child Pornography” means any visual depiction of a minor, or what appears to be a minor, engaging in sexually explicit conduct, even if the minor depicted was not an actual person or did not actually exist.

(2) An accused may not be convicted of possessing, receiving, viewing, distributing, or producing child pornography, if he was not aware that the images were of minors, or what appeared to be minors, engaged in sexually explicit conduct. Awareness may be inferred from circumstantial evidence such as the name of a computer file or folder, the name of the host Web site from which a visual depiction was viewed or received, search terms used, and the number of images possessed.

(3) “Distributing” means delivering to the actual or constructive possession of another.

(4) “Minor” means any person under the age of 18 years;

(5) “Possessing” means exercising control of something. Possession may be direct physical custody like holding an item in one’s hand, or it may be constructive, as in the case of a person who hides something in a locker or a car to which that person may return to retrieve it. Possession must be knowing and conscious. Possession inherently includes the power or authority to preclude control by others. It is possible for more than one person to possess an item simultaneously, as when several people share control over an item.

(6) “Producing” means creating or manufacturing. As used in this paragraph, it refers to making child pornography that did not previously exist. It does not include reproducing or copying.

(7) “Sexually explicit conduct” means actual or simulated:

(a) Sexual intercourse or sodomy, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex;

(b) Bestiality;

(c) Masturbation;

(d) Sadistic or masochistic abuse; or

(e) Lascivious exhibition of the genitals or pubic area of any person.

(8) “Visual depiction” includes any developed or undeveloped photograph, picture, film or video; any digital or computer image, picture, film or video made by any means, including those transmitted by any means including streaming media, even if not stored in a permanent format; or any digital or electronic data capable of conversion into a visual image.

(9) “Wrongfulness.” Any facts or circumstances which show that a visual depiction of child pornography was unintentionally or inadvertently acquired are relevant to wrongfulness, including, but not limited to, the method by which the visual depiction was acquired, the length of time the

visual depiction was maintained, and whether the visual depiction was promptly, and in good faith, destroyed or reported to law enforcement.

(10) On motion of the government, in any prosecution under this paragraph, except for good cause shown, the name, address, social security number, or other nonphysical identifying information, other than the age or approximate age, of any minor who is depicted in any child pornography or visual depiction or copy thereof shall not be admissible and may be redacted from any otherwise admissible evidence, and the panel shall be instructed, upon request of the Government, that it can draw no inference from the absence of such evidence.

d. *Lesser included offenses.*

(1) *Possessing, receiving, or viewing child pornography*

Article 80—attempts

(2) *Possessing child pornography with intent to distribute*

(2) *Possessing child pornography with intent to distribute.* Dishonorable discharge, forfeiture of all pay and allowances, and confinement for 15 years.

(3) *Distributing child pornography.* Dishonorable discharge, forfeiture of all pay and allowances, and confinement for 20 years.

(4) *Producing child pornography.* Dishonorable discharge, forfeiture of all pay and allowances, and confinement for 30 years.

f. *Sample specification.* Possessing, receiving, viewing, possessing with intent to distribute, distributing or producing child pornography.

In that ____ (personal jurisdiction data), did, at ____, on or about ____ knowingly and wrongfully (possess) (receive) (view) (distribute) (produce) child pornography, to wit: a (photograph) (picture) (film) (video)

(digital image) (computer image) of a minor, or what appears to be a minor, engaging in sexually explicit conduct, with intent to distribute the said child pornography.)”

Section 3. These amendments shall take effect 30 days from the date of this order.

(a) Nothing in these amendments shall be construed to make punishable any act done or omitted prior to the effective date of this order that was not punishable when done or omitted.

(b) Nothing in these amendments shall be construed to invalidate any nonjudicial punishment proceedings, restraint, investigation, referral of charges, trial in which arraignment occurred, or other action begun prior to the effective date of this order, and any such nonjudicial punishment, restraint, investigation, referral of charges, trial, or other action may proceed in the same manner and with the same effect as if these amendments had not been prescribed.
