#### Overview of This Information Collection

(1) *Type of Information Collection:* New Collection.

(2) *Title of the Form/Collection:* Understanding Trends in Hate Crimes Against Immigrants and Hispanic Americans.

(3) *Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection:* Form Number: N/A. National Institute of Justice, Office of Justice Programs.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Law enforcement chiefs and sheriffs. Secondary: Patrol officers, directors of advocacy organizations for immigrants, and clients of immigration advocacy organizations. While there has been great progress in understanding and measuring hate crime, many fundamental questions remain unanswered. To address these questions, we are employing a multi-method analysis of hate crime in the United States with a special focus on trends in crimes against Hispanic Americans and others perceived to be immigrants. The first phase of the project, already complete, involved gathering and analyzing relevant secondary data sets. Phase two of the project will involve a survey of a sample

of 500 police departments, focus groups with law enforcement personnel and NGOs addressing hate crime in five selected sites, and interviews with expert law enforcement practitioners, trainers and researchers.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* We hope to gather 500 responses to the law enforcement survey. Agencies selected for the survey will be based on a disproportionate stratified random sample design with oversampling of agencies serving populations over 50,000. Further, we estimate that we will conduct about 20 focus groups, each time with about eight individuals, and at least 60 individual interviews. The table below shows the estimated number of respondents for each portion of data collection.

#### LAW ENFORCEMENT SURVEY

State	Arizona	California	Michigan	New Jersey	Texas
Police Chiefs .....	64	174	79	82	101

#### Focus Groups

Patrol Officers .....	16	16	16	16	16
Clients of NGOs .....	16	16	16	16	16
Law Enforcement .....	6	6	6	6	6
NGO directors .....	6	6	6	6	6

The law enforcement survey will take about 30 minutes to complete. Each of the focus groups will last for approximately one hour. Individual

interviews will last between 30 minutes and one hour.

(6) *An estimate of the total public burden (in hours) associated with the*

*collection:* There are an estimated 470 annual total public burden hours associated with this collection.

Task	Estimated time (minutes)	Total participants	Total minutes per task
Law Enforcement Survey .....	30	500	15,000
Focus Groups .....	60	160	9,600
Interviews .....	60	60	3,600
Total .....	.....	.....	28,200 (= 470 hours)

This collection will enables NIJ; Federal, State, Local, and Tribal law enforcement and government administrators; legislators; and researchers; to understand the technology and policy barriers to local, regional, and national interoperability from the perspective of State and Local criminal investigations requiring the exchange of latent fingerprints across jurisdictional boundaries. Information collected in the core survey and survey addenda will provide critical data on the types and functionalities of fielded AFIS systems in State and Local agencies; the current policy agreements among jurisdictions to permit the sharing, exchange, and searching of latent fingerprints electronically; and the technology-related and policy-related impediments regarding the

electronic sharing, exchange, and searching of latent fingerprints across various jurisdictions at the State and Local levels.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* It is estimated that 350 to 400 respondents will complete the core survey and one of two relevant addenda depending on whether the respondent is from a State or Local agency in approximately 60 minutes.
