OMB Number: 0625-xxxx.

Type of Request: Regular Submission.

Burden: 50 hours.

Number of Respondents: 50.

Avg. Hours Per Response: 1 hour.

Needs and Uses: The International Trade Administration's Advocacy Center marshals federal resources to assist U.S. firms competing for foreign government procurements worldwide. The Advocacy Center is under the umbrella of the Trade Promotion Coordinating Committee (TPCC), which is chaired by the Secretary of Commerce and includes 19 federal agencies involved in export promotion. The mission of the Advocacy Center is to promote U.S. exports and create U.S. jobs and coordinate U. S. Government (USG) advocacy among the TPCC. The purpose of the questionnaire is to collect the necessary information to make an evaluation as to whether a firm qualifies for senior-level USG support, in the form of attendance at an event including witnessing a commercial agreement signing. The event could be a company sponsored activity or a foreign or USG sponsored event to highlight a commercial trade success for more than one firm. Without this information we will be unable to determine if a U.S. firm is eligible for USG support for the firm's role in the event.
