

and/or policy processes (e.g., **Federal Register** Notices, where appropriate) since the previous version of the NIHGPS dated December 2022.

DATES: The significant changes to the revised NIH GPS for Fiscal Year 2024 is now available for viewing.

ADDRESSES: Please visit our website to view the updated Significant Changes for Fiscal Year 2024 and NIH GPS at <https://grants.nih.gov/policy/nihgps/index.htm>.

FOR FURTHER INFORMATION CONTACT: Xanthia James, Director, Division of Grants Policy, Office of Policy for Extramural Research Administration, NIH, Rockledge I, Suite 350, Bethesda, MD 20817. Email: Xanthia.James@nih.gov. Phone number: (301) 435-0949.

SUPPLEMENTARY INFORMATION: This update is applicable to all NIH grants and cooperative agreements with budget periods beginning on or after October 1, 2023. This update supersedes, in its entirety, the NIH GPS dated December 2022. Previous versions of the NIH GPS remain applicable as standard terms and conditions of award for all NIH grants and cooperative agreements with budget periods that began prior to October 1, 2023. This update incorporates new and modified requirements, clarifies certain policies, and implements changes in statutes, regulations, and policies that have been implemented through appropriate legal and/or policy processes since the previous version of the NIH GPS dated December 2022. The current version of the NIH GPS, in both HTML and PDF formats, as well as previous versions of the NIH GPS and documents summarizing significant changes implemented with each revision, are available at <https://grants.nih.gov/policy/nihgps/index.htm>.

As noted in NOT-OD-24-069 <https://grants.nih.gov/grants/guide/notice-files/NOT-OD-24-069.html>, the Office of Management and Budget (OMB) has issued updates to 2 CFR part 200, with an implementation date of October 1, 2024. NIH will include the changes to 2 CFR part 200 in the FY 2025 release of the NIH GPS, in line with the implementation date set by OMB.

Dated: May 1, 2024.

Lawrence Tabak,

Principal Deputy Director, National Institutes of Health.

Division of Program Coordination, Planning, and Strategic Initiatives, Office of the Director Notice of Proposed Reorganization

AGENCY: National Institutes of Health, HHS.

ACTION: Notice.

SUMMARY: The Division of Program Coordination, Planning, and Strategic Initiatives (DPCPSI) in the Office of the Director, National Institutes of Health (NIH) is seeking public comment regarding its proposal to transfer the *All of Us* (ALL) Research Program and Environmental influences on Child Health Outcomes (ECHO) Program from the Immediate Office of the NIH Director to DPCPSI in the Office of the Director, NIH. The program offices in DPCPSI share a common mission of identifying emerging scientific opportunities, rising public health challenges, or scientific knowledge gaps that deserve special emphasis. The proposed reorganization would align the important offices with offices having similar NIH-wide functions.

DATES: Any interested person may file written comments by sending an email to DPCPSIreorgcomments@nih.gov by 11:59 p.m. ET on June 14, 2024. The statement should include the individual's name, and when applicable, professional affiliation.

ADDRESSES: The following email address has been established for comments on the reorganization: DPCPSIreorgcomments@nih.gov.

FOR FURTHER INFORMATION CONTACT: Betina Orezzaoli at DPCPSIreorgcomments@nih.gov or 301-402-9852.

SUPPLEMENTARY INFORMATION: This notice is pursuant to the NIH Reform Act of 2006 (42 U.S.C.281 (d)(4)), DPCPSI will launch public website information at <https://dpcpsi.nih.gov/proposed-reorg-allofus-echo-transfer> to further encourage public discussion of the proposal to reorganize. The public is encouraged to email DPCPSIreorgcomments@nih.gov for comments and questions.

Dated: May 3, 2024.

Lawrence A. Tabak,

Principal Deputy Director, National Institutes of Health.

Request for Information (RFI): Inviting Input Regarding NIDCD's Research Directions in Global Health

AGENCY: National Institutes of Health, HHS.

ACTION: Request for Information.

SUMMARY: The National Institute on Deafness and Other Communication Disorders (NIDCD), National Institutes of Health (NIH) invites input from all interested parties (individuals or groups) on NIDCD's future research directions in Global Health defined for this RFI as international collaboration among researchers in all countries to improve health. NIDCD requests input specifically focused on the NIDCD mission of advancing the science of communication to improve lives.

DATES: Comments will be accepted through July 2, 2024.

ADDRESSES: All responses to this RFI must be submitted electronically via the web-based form at: <https://www.nidcd.nih.gov/nidcd-global-health-rfi-form>. Please include the Notice number in the subject line of your response. Responses to this RFI are voluntary and may be submitted anonymously. You may voluntarily include your name and contact information with your response. If you choose to provide NIH with this information, NIH will not share your name and contact information outside NIH unless required by law.

Other than your name and contact information, please do not include any personally identifiable information or any information that you do not wish to make public. Proprietary, classified, confidential, or sensitive information should not be included in your response. The US Government will use the information submitted in response to this RFI at its discretion. Other than your name and contact information, the Government reserves the right to use any submitted information on public websites, in reports, in summaries of the state of the science, in any possible resultant solicitation(s), grant(s), or cooperative agreement(s), or in the development of future funding opportunities. This RFI is for informational and planning purposes only and is not a solicitation for applications or an obligation on the part of the Government to provide support for any ideas identified in response to it. Please note that the Government will not pay for the preparation of any
