

On March 15, 2011, Federal Energy Regulatory Commission staff (Staff) held a technical conference to obtain further information to aid the Commission in considering issues related to the ownership of and priority access rights to new participant-funded transmission projects.

In particular, Staff sought to explore issues related to priority rights to use transmission infrastructure developed under various new business models in two specific contexts: independent and/or merchant transmission, and generator lead lines. In both contexts, participants were encouraged to identify and discuss the appropriate balance between the Commission's requirements for open access and the needs of project developers. Participants were also encouraged to propose and discuss specific regulatory alternatives that are consistent with the Commission's open access policies and its statutory responsibility to ensure that rates, terms, and conditions of service are just and reasonable and not unduly discriminatory or preferential.

Persons wishing to comment on these issues should submit written comments to the Commission no later than April 21, 2011.

Dated: March 18, 2011.

Nathaniel J. Davis, Sr.,

Deputy Secretary.

C. What should I consider as I prepare my comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.

3. Provide copies of any technical information and/or data that you used to support your views.

4. Provide specific examples to illustrate your concerns and suggest alternatives.

5. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

D. How may I participate in this meeting?

You may participate in this meeting by following the instructions in this section. To ensure proper receipt by EPA, it is imperative that you identify docket ID number EPA-HQ-ORD-2011-0124 in the subject line on the first page of your request.

1. Oral comments. Requests to present oral comments will be accepted up to Wednesday, April 6, 2011. To the extent that time permits, interested persons who have not pre-registered may be permitted by the Chair of the HSRB to present oral comments at the meeting. Each individual or group wishing to make brief oral comments to the HSRB is strongly advised to submit their request (preferably via email) to Jim Downing or Lu-Ann Kleibacker, under **FOR FURTHER INFORMATION CONTACT**, no later than noon, Eastern Time, Wednesday, April 6, 2011, in order to be included on the meeting agenda and to provide sufficient time for the HSRB Chair and HSRB Designated Federal Official (DFO) to review the meeting agenda to provide an appropriate public comment period. The request should identify the name of the individual making the presentation and the organization (if any) the individual will represent. Oral comments before the HSRB are generally limited to five minutes per individual or organization. Please note that this includes all individuals appearing either as part of, or on behalf of, an organization. While it is our intent to hear a full range of oral comments on the science and ethics issues under discussion, it is not our intent to permit organizations to expand the time limitations by having numerous individuals sign up separately to speak on their behalf. If additional time is available, further public comments may be possible.

2. Written comments. Submit your written comments prior to the meeting. For the HSRB to have the best opportunity to review and consider your comments as it deliberates on its report, you should submit your comments at least five business days prior to the beginning of this meeting. If you submit

comments after this date, those comments will be provided to the Board members, but you should recognize that the Board members may not have adequate time to consider those comments prior to making a decision. Thus, if you plan to submit written comments, the Agency strongly encourages you to submit such comments no later than noon, Eastern Time, Wednesday, April 6, 2011. You should submit your comments using the instructions in section I., under subsection C., "What Should I Consider as I Prepare My Comments for EPA?" In addition, the Agency also requests that persons submitting comments directly to the docket also provide a copy of their comments to Jim Downing or Lu-Ann Kleibacker listed under **FOR FURTHER INFORMATION CONTACT**. There is no limit on the length of written comments for consideration by the HSRB.

E. Background

The HSRB is a Federal advisory committee operating in accordance with the Federal Advisory Committee Act (FACA) 5 U.S.C. App.2 § 9. The HSRB provides advice, information, and recommendations to EPA on issues related to scientific and ethical aspects of human subjects research. The major objectives of the HSRB are to provide advice and recommendations on: (1) Research proposals and protocols; (2) reports of completed research with human subjects; and (3) how to strengthen EPA's programs for protection of human subjects of research. The HSRB reports to the EPA Administrator through EPA's Science Advisor.

1. *Topics for discussion.* At its meeting on April 13 and 14, 2011, EPA's Human Studies Review Board will consider scientific and ethical issues surrounding these topics:

a. The report of a completed scenario monograph and study reports from the Agricultural Handler Exposure Task Force (AHETF) measuring the dermal and inhalation exposure of professional agricultural workers applying liquid spray pesticides to tree or trellis crops using open cab airblast equipment.

b. The report of a completed scenario monograph and study report from the Antimicrobial Exposure Assessment Task Force II (AEATF) in which the dermal and inhalation exposure of professional janitorial workers was monitored as they applied a liquid antimicrobial product to indoor surfaces using a trigger spray bottle and wipes or ready-to-use wipes.

c. A published report by *Gulson et al* (2010) of an intentional exposure

human study measuring dermal absorption of zinc oxides contained in sunscreen.

d. A reevaluation of an intentional human dosing study with chlorpyrifos (Kisicki) previously reviewed by the HSRB; pertinent new information from the sponsor has been made available.

2. *Meeting minutes and reports.* Minutes of the meeting, summarizing the matters discussed and recommendations, if any, made by the advisory committee regarding such matters, will be released within 90 calendar days of the meeting. Such minutes will be available at <http://www.epa.gov/osa/hsrb/> and <http://www.regulations.gov>. In addition, information concerning a Board meeting report, if applicable, can be found at <http://www.epa.gov/osa/hsrb/> or from the person listed under **FOR FURTHER INFORMATION CONTACT**.

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The Environmental Protection Agency (EPA or Agency) Science Advisory Board (SAB) Staff Office announces a public face-to-face meeting of the Black Carbon Review Panel.

DATES: The meeting will be held on April 18, 2011 from 9 a.m. to 5 p.m. and April 19, 2011 from 8:30 a.m. to 2:30 p.m. (Eastern Time).

FOR FURTHER INFORMATION CONTACT:

Members of the public who wish to obtain further information regarding this meeting must contact Ms. Stephanie Sanzone, Designated Federal Officer (DFO). Ms. Sanzone may be contacted at the EPA Science Advisory Board (1400R), U.S. Environmental Protection Agency, 1200 Pennsylvania Avenue,

NW., Washington, DC 20460; or by telephone/voice mail at (202) 564-2067; fax at (202) 565-2098; or e-mail at sanzone.stephanie@epa.gov. General information concerning the Council can be found at the EPA Council Web site at <http://www.epa.gov/advisorycouncilcaa>. Any inquiry regarding EPA's *Draft Report to Congress on Black Carbon* should be directed to Erika Sasser, EPA Office of Air Quality Planning and Standards (OAQPS), at sasser.erika@epa.gov or (919) 541-3889.

SUPPLEMENTARY INFORMATION:

Background: The Advisory Council on Clean Air Compliance Analysis (Council) was established pursuant to Section 812 of the Clean Air Act (CAA) Amendments of 1990 (codified as 42 U.S.C. 7612) to provide independent advice to the Administrator on technical and economic aspects of analyses and reports EPA prepares on the impacts of the CAA on the public health, economy, and environment of the United States. The Council is a Federal Advisory Committee chartered under the Federal Advisory Committee Act (FACA), 5 U.S.C., App. 2. Pursuant to FACA and EPA policy, notice is hereby given that the Council augmented with additional experts (hereafter referred to as the Black Carbon Review Panel) will hold a public meeting to review EPA's *Draft Report to Congress on Black Carbon*. The Panel will comply with the provisions of FACA and all appropriate SAB Staff Office procedural policies.

The October 2009 Interior Appropriations bill (Pub. L. 111-88) requires the EPA, in consultation with other Federal agencies, to prepare a comprehensive report to Congress on the climate effects of black carbon. Black carbon, or soot, results from incomplete combustion of organic matter such as fossil fuels and biomass. The report to Congress will evaluate and synthesize available information on sources of black carbon, impacts of black carbon on global and regional climate, and the potential utility and cost-effectiveness of mitigation options for reducing climate and public health impacts of black carbon.

EPA's Office of Air Quality Planning and Standards (OAQPS) requested that the Council review the *Draft Report to Congress on Black Carbon* to evaluate the report's scientific rigor, completeness, and technical accuracy. To conduct this review, the Council was augmented with additional experts in climate modeling and black carbon emissions, impacts, and control strategies. Information about formation of the Black Carbon Review Panel can
