Abstract: The information is needed to ensure merchant marine training schools meet minimal statutory requirements. The information is used to approve the curriculum, facility, and faculty for these schools. Section 7315 of 46 U.S.C. authorizes an applicant for a license or document to substitute the completion of an approved course for a portion of the required sea service. Section 10.302 of 46 CFR contains the Coast Guard regulations for course approval.
