Section 17a of the Act authorizes the Afterschool/At-Risk component of the CACFP. Section 9 of the Act authorizes nutritional and other program requirements related to the CACFP. Under this program, the Secretary of Agriculture is authorized to provide cash reimbursement and commodity assistance, on a per meal basis, for food service to children in nonresidential child care centers and family or group day care homes, and to eligible adults in nonresidential adult day care centers. The Food and Nutrition Service (FNS) has established application, monitoring, recordkeeping, public disclosure, and reporting requirements to manage the Program effectively, and ensure that the legislative intent of this mandate is responsibly implemented.

FNS and State agencies administering the program will use the collected information to ensure that institutions accept, as mandated by Congress, their responsibilities and liabilities in connection with the CACFP, provide the legal basis for their participation, and allow administering agencies to monitor these operations to ensure compliance with legislative and regulatory requirements. FNS uses the information

to conduct reviews that determine whether or not institutions are observing the requirements established by statute and regulation.
