## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-64007; File No. SR-CBOE-2011-021]

### Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to PULSe Fees

March 2, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on March 1, 2011, the Chicago Board Options Exchange, Incorporated ("CBOE" or the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared

by CBOE. The Exchange has designated this proposal as one establishing or changing a due, fee, or other charge imposed by CBOE under Section 19(b)(3)(A)(ii) of the Act<sup>3</sup> and Rule 19b-4(f)(2) thereunder.<sup>4</sup> The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is proposing to amend its Fees Schedule to reduce an away-market routing fee and extend a fee waiver related to the PULSe workstation. The Exchange is also proposing to make a non-substantive formatting change to its Fee Schedule. The text of the proposed rule change is available on the Exchange's Web site <http://www.cboe.org/legal>, at the Exchange's Office of the Secretary and at the Commission.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The purpose of this proposed rule change is to reduce an away-market routing fee and extend a fee waiver related to the PULSe workstation. The Exchange is also proposing to make a non-substantive formatting change to its Fee Schedule.

By way of background, the PULSe workstation is a front-end order entry system designed for use with respect to orders that may be sent to the trading systems of CBOE and CBOE Stock Exchange, LLC ("CBSX"). In addition, the PULSe workstation provides a user with the capability to send options orders to other U.S. options exchanges and stock orders to other U.S. stock

exchanges through a PULSe Routing Intermediary ("away-market routing").<sup>5</sup>

The first purpose of this proposed rule change is to reduce the PULSe away market routing fee. Currently the fee is set at \$0.10 per executed contract or share equivalent. The Exchange is proposing to reduce the fee to \$0.05 per executed contract or share equivalent effective March 1, 2011.

The second purpose of this proposed rule change is to extend the waiver of the PULSe Routing Intermediary fee. Currently the Exchange has waived the Routing Intermediary fee through March 31, 2011. The Exchange is proposing to extend this waiver through June 30, 2011. Thus this fee will be assessed beginning July 1, 2011.

Finally, the third purpose of this proposed rule change is to make a non-substantive formatting change to its Fee Schedule. In particular, the Fees Schedule currently contains references to fees for Professional and Voluntary Professional transactions in S&P 500 Index options series that trade on the Hybrid Trading System. Specifically, the fee schedule references "SPX Options Trading on Hybrid." The Exchange is proposing to change these references to the trading symbol for such options, which is simply "SPXW." This change is non-substantive and should simplify the Fees Schedule in a manner consistent with other existing references to option trading symbols.

###### 2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,<sup>6</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act,<sup>7</sup> in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among Trading Permit Holders in that the same fees and fee waivers are applicable to all Trading Permit Holders that use the PULSe Workstation. In addition, the change of the references from SPX Options Trading on Hybrid to the trading symbol SPXW should simplify the Fees Schedule in a manner consistent with other existing references to option trading symbols.

##### B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any
