#### SUPPLEMENTARY INFORMATION:

**Background:** The Advisory Board was established under the Energy Employees Occupational Illness Compensation Program Act of 2000 to advise the President on a variety of policy and technical functions required to implement and effectively manage the new compensation program. Key functions of the Advisory Board include providing advice on the development of probability of causation guidelines which have been promulgated by the Department of Health and Human Services (HHS) as a final rule, advice on methods of dose reconstruction which have also been promulgated by HHS as a final rule, advice on the scientific validity and quality of dose estimation and reconstruction efforts being performed for purposes of the compensation program, and advice on petitions to add classes of workers to the Special Exposure Cohort (SEC). In December 2000, the President delegated responsibility for funding, staffing, and operating the Advisory Board to HHS, which subsequently delegated this authority to the CDC. NIOSH implements this responsibility for CDC.

The charter was issued on August 3, 2001, renewed at appropriate intervals, rechartered under Executive Order 13811 on February 12, 2018, and will terminate on September 30, 2019.

**Purpose:** This Advisory Board is charged with (a) providing advice to the Secretary, HHS, on the development of guidelines under Executive Order 13179; (b) providing advice to the Secretary, HHS, on the scientific validity and quality of dose reconstruction efforts performed for this program; and (c) upon request by the Secretary, HHS, advising the Secretary on whether there is a class of employees at any Department of Energy facility who were exposed to radiation but for whom it is not feasible to estimate their radiation dose, and on whether there is reasonable likelihood that such

radiation doses may have endangered the health of members of this class.

**Matters to be Considered:** The agenda will include discussions on the following: NIOSH Program Update; Department of Labor Program Update; Department of Energy Program Update; SEC Petitions Update; possible discussion of a site profile review (dose reconstruction methods for Feed Materials Production Center (Fernald, Ohio); SEC Petitions for: Sandia National Laboratory (Albuquerque, New Mexico), Metals and Controls Corporation (Attleboro, Massachusetts, Idaho National Laboratory (Scoville, Idaho), and DeSoto Facility (Los Angeles, California); continued review of dose reconstruction methods associated with estimating skin doses; and a Board Work Session. Agenda items are subject to change as priorities dictate.

### Centers for Medicare & Medicaid Services

#### Notice of Hearing: Reconsideration of Disapproval Washington Medicaid State Plan Amendment (SPA) 17–0027

**AGENCY:** Centers for Medicare & Medicaid Services (CMS), HHS.

**ACTION:** Notice of hearing; Reconsideration of disapproval.

**SUMMARY:** This notice announces an administrative hearing to be held on August 9, 2018, at the Department of Health and Human Services, Centers for Medicare & Medicaid Services, Division of Medicaid & Children's Health, Seattle Regional Office, 701 Fifth Avenue, Suite 1600, Seattle, WA 98104 to reconsider CMS' decision to disapprove Washington's Medicaid SPA 17–0027.

**DATES:** *Closing Date:* Requests to participate in the hearing as a party must be received by the presiding officer by July 27, 2018.

**FOR FURTHER INFORMATION CONTACT:** Benjamin R. Cohen, Presiding Officer, CMS, 2520 Lord Baltimore Drive, Suite L, Baltimore, Maryland 21244, Telephone: (410) 786–3169.

**SUPPLEMENTARY INFORMATION:** This notice announces an administrative hearing to reconsider CMS' decision to disapprove Washington's Medicaid state plan amendment (SPA) 17–0027, which was submitted to the Centers for Medicare & Medicaid Services (CMS) on August 22, 2017 and disapproved on May 14, 2018. This SPA requested CMS approval to add coverage and reimbursement of services provided by Dental Health Aide Therapists (DHATs) under the Other Licensed Practitioner (OLP) benefit. Specifically, SPA 17–0027 proposed the coverage and reimbursement of services provided by DHATs only when furnished in a practice setting within the boundaries of a tribal reservation and only when operated by an Indian health program, and proposed to make coverage of DHAT services available only to members of a federally recognized tribe or those otherwise eligible for services under Indian Health Service criteria. Washington would, therefore, not permit Medicaid beneficiaries to receive Medicaid coverage for DHAT services if they are not members of a federally recognized tribe or otherwise eligible for services under Indian Health Service criteria.

The issues to be considered at the hearing are whether Washington SPA 17–0027 is inconsistent with the requirements of:

- Section 1902(a)(23) of the Social Security Act (the Act) because it would restrict access to services provided by a DHAT to a limited group of beneficiaries, and it would also prevent beneficiaries from receiving DHAT services from similarly qualified dental services providers that provide services outside the boundaries of a tribal reservation or that are not Indian health programs.

- Section 1902(a)(10)(A) of the Act because it was unclear whether DHATs

must be supervised by a licensed professional consistent with the requirements of the OLP benefit, and because CMS was therefore unable to determine whether DHAT services are “medical assistance” consistent with 1902(a)(10)(A) and 1905 of the Act.

Section 1116 of the Act and federal regulations at 42 CFR part 430 establish Department procedures that provide an administrative hearing for reconsideration of a disapproval of a state plan or plan amendment. CMS is required to publish in the **Federal Register** a copy of the notice to a state Medicaid agency that informs the agency of the time and place of the hearing, and the issues to be considered. If we subsequently notify the state Medicaid agency of additional issues that will be considered at the hearing, we will also publish that notice in the **Federal Register**.

Any individual or group that wants to participate in the hearing as a party must petition the presiding officer within 15 days after publication of this notice, in accordance with the requirements contained at 42 CFR 430.76(b)(2). Any interested person or organization that wants to participate as *amicus curiae* must petition the presiding officer before the hearing begins in accordance with the requirements contained at 42 CFR 430.76(c). If the hearing is later rescheduled, the presiding officer will notify all participants.

The notice to Washington announcing an administrative hearing to reconsider the disapproval of its SPA reads as follows:
