

seeking approval from OMB for the information collection described in Section A.

#### A. Overview of Information Collection

*Title of Information Collection:* Moving to Work Expansion, Asset Building Cohort Evaluation.

*OMB Approval Number:* 2528–0345.

*Type of Request:* Revision of a currently approved collection.

*Form Number:* N/A.

*Description of the need for the information and proposed use:* HUD contracted with Abt Global and its partner MEF Associates to evaluate the Moving to Work Asset Building Cohort (hereinafter “Asset Building Cohort”). This 60-day Notice informs the public of intent to collect data from HUD-assisted households at Public Housing Agencies (PHAs) participating in the Moving to Work, Asset Building Cohort.

Nine of the 17 PHAs in the Asset Building Cohort implemented an opt-out savings program. (See PIH Notice 2022–11 for information on the opt-out savings account program.)

OMB approved data collection for the first phase of the evaluation of the Moving to Work Asset Building Cohort on January 10, 2024, under OMB Control Number 2528–0345. This 60-Day Notice seeks approval for the second phase of data collection, which

includes a new instrument—the Opt-Out Saving Account Household Survey.

The first phase of the Asset Building Cohort evaluation was guided by a few overarching questions: (1) What programs are PHAs implementing? What are the characteristics of the group of residents participating in the programs? (2) How do participants understand the programs? And what do the programs mean for them personally? The programs will run for up to two years. This information collection request covers the second phase, which is guided by the following questions: (1) What is the impact of the opt-out savings program on assisted households’ ability to build and maintain an emergency savings fund that helps them avoid material hardships?” (2) What is the impact of the program on their ability to use traditional financial products and decrease reliance on high-cost alternative financial products?”

This information collection request seeks approval for data collection needed to answer second phase questions. Consequently, it requests approval to collect data from a random sample of HUD-assisted households at PHAs implementing the opt-out savings account program, including randomly selected program participants and randomly selected non-participants (the

control group) (n = 1,100). The evaluator will contact selected residents and ask them to participate in a 30-minute survey about financial goals and aspirations, and experiences with banking, savings, and credit. Participants assigned to the treatment group will be asked a few additional questions about their experiences with the program. Prior to the survey, the participants will receive an advance letter notifying them of the upcoming data collection.

*Respondents:* Adults who are assisted by PHAs participating in the Asset Building Cohort.

*Estimated Number of Respondents:* Up to 1,100 respondents (555 respondents from the treatment group and 545 respondents from the control group).

*Estimated Number of Responses:* 1,100.

*Frequency of Response:* Once.

*Average Hours per Response:* The advance letter for the opt-out savings study survey will take .08 hours (less than 5 minutes) to read and consider. The survey will take about 0.5 hours (30 minutes) to complete. Average total response time per respondent will be 35 minutes.

*Total Estimated Burdens:*

| Information collection      | Number of respondents | Frequency of response | Burden hour per response | Annual burden hours | Hourly cost per response | Annual cost |
|-----------------------------|-----------------------|-----------------------|--------------------------|---------------------|--------------------------|-------------|

#### A. Overview of Information Collection

*Title of Information Collection:* Rental Assistance Demonstration (RAD); Supporting Contracts and Processing Requirements.

*OMB Approval Number:* 2502-0612.

*Type of Request:* Revision of a currently approved collection.

*Form Number(s):* 52611, 52614, 52617, 52619, 52620A, 52620B, 52621A, 52621B, 52624, 52625, 5679, 5977, 5978, 5886, 5887, 5888, 5889, 5890, 5891, 5892, 5893, 5894, 5895, 5896, 5897, 5898, 5899, 5901, 5902, 5903, 5904.

*Description of the need for the information and proposed use:* RAD is authorized by the Consolidated and Further Continuing Appropriations Act of 2012 (Pub. L. 112-55, approved November 18, 2011), as amended by the Consolidated Appropriations Act, 2014 (Pub. L. 113-76, approved January 17, 2014), the Consolidated and Further Continuing Appropriations Act, 2015

(Pub. L. 113-235, approved December 16, 2014), the Consolidated Appropriations Act, 2016 (Pub. L. 114-113, approved December 18, 2015), the Consolidated Appropriations Act, 2017 (Pub. L. 115-31, approved May 5, 2017), the Consolidated Appropriations Act, 2018 (Pub. L. 115-141, approved March 23, 2018), the Consolidated Appropriations Act, 2022 (Pub. L. 117-103, approved March 15, 2022), and the Consolidated Appropriations Act, 2024 (Pub. L. 118-42, approved March 9, 2024) (collectively, the “RAD Statute”).

RAD allows Public Housing, Mod Rehab, Rent Supp, RAP, and 202 PRAC properties to convert to long-term project-based Section 8 rental assistance contracts. Participation in the demonstration is voluntary, and HUD approval is discretionary. Participating Public Housing Agencies (PHAs) and Multifamily Owners are required to submit documentation for processing and completing the conversion. Through these documents (collectively, the RAD documents), HUD evaluates whether the PHA or owner has met all of the requirements necessary to complete conversion as outlined in Housing Notice 2019-09/PIH Notice 2019-23 (HA) Rental Assistance Demonstration—Final Implementation Notice (RAD Notice) Revision 4 and Housing/PIH Notice 2016-17—Rental Assistance Demonstration (RAD) Notice Regarding Fair Housing and Civil Rights Requirements and Relocation Requirements Applicable to RAD First Component—Public Housing Conversions or successor notices. The RAD processing request is made through a Web-based portal. Overall, the RAD documents and information requested through such documents allow HUD to determine which applicants continue to meet the eligibility and conversion requirements. Finally, all applicants will be required to sign the appropriate contractual documents to complete conversion and bind both the applicant and HUD, as well as set forth the rights and duties of the applicant and HUD, with respect to the converted project and any payments under that project. This is a revision of a currently approved collection to include three documents that required edits per the President’s Executive Order 14168 to remove references of Diversity, Equity, Inclusion and Accessibility (DEIA). The edit revises subpart (a) to remove equal access and adds a reference to regulation 24 CFR.5.105(a). Additionally, subpart (b) of Section 2.12 and 2.10 that references the Equal Access Rule is deleted in its entirety.

Documents that include those subparts are:

- Form 52620B, Part II PBRA Housing Assistance Payments Contract Rental Assistance Demonstration (RAD) for Conversions of Public Housing to Project-Based Section 8 (Component 1).
- Form 52617, Second Component Housing Assistance Payments (HAP) Contract RAD for the Conversion of Moderate Rehabilitation to Project-Based Section 8 (PBRA) Part II.
- Form 5897, RAD Second Component Project Rental Assistance Contract (PRAC) Project-Based Section 8 (PBRA) Housing Assistance Payments (HAP) Contract Part II. In addition to the edits described above, the RAD/Section 18 Blend Rider to the RAD Use Agreement (Form 5900) is removed from the currently approved collection as the Rider is no longer applicable. The RAD Supplemental Notice 4C, published January 16, 2025, changed policy to streamline RAD/Section 18 blends by permitting both RAD units and PBV units resulting from a Section 18 action to be on a single RAD HAP contract.

*Respondents:* Public housing agencies and multifamily owners.

*Estimated Number of Respondents:* 370.

*Estimated Number of Responses:* 370.

*Frequency of Response:* Once per application.

*Average Hours per Response:* 15.

*Total Estimated Burdens:* 3,041.

New section 36 requires HUD to establish standards and definitions for the information to be collected by state agencies and to provide states with technical assistance in establishing systems to compile and submit such information and, in coordination with other Federal agencies administering housing programs, establish procedures to minimize duplicative reporting requirements for properties assisted under multiple housing programs.
