

Persons representing:

1. Nationally or regionally recognized environmental organizations;
2. Dispersed recreation interests (*i.e.*, hunter, angler, outdoor recreation, off-highway vehicle users, or commercial recreation activities);
3. Archaeological and historical organizations or expertise; or
4. The affected public-at-large.

Persons who:

1. Hold State, county, or local elected office;
2. Are employed by a State Agency responsible for the management of natural resources, land, or water;
3. Are employed as academicians by a natural resource management or natural sciences organization (*i.e.*, museum, university); or
4. Are employed by the local government.

PAWG duties and responsibilities are as follows:

1. Develop recommendations for the BLM regarding matters relating to monitoring and mitigation of oil and gas development and on adaptive management as described in the Supplemental EIS ROD for the Pinedale Anticline Project Area. At the direction of the Designated Federal Officer (DFO), the PAWG may review and analyze information, recommend issues for evaluation, and provide advice on the issues presented;

2. Review the implementation of construction and rehabilitation operations through an annual field inspection to provide advice to ensure that the mitigation measures are reasonable and effective;

3. Advise the BLM on working with stakeholders to develop or enhance resource management programs and objectives; and

4. Make recommendations on future PAWG resource management priorities.

Members are expected to attend all scheduled PAWG meetings. Members are appointed for 2-year terms and may be reappointed to additional terms at the discretion of the Secretary of the Interior.

INTERNATIONAL TRADE COMMISSION

Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has received a complaint entitled *In Re Certain Liquid Crystal Display Devices, Including Monitors, Televisions, and Modules and Components Thereof*, DN 2766; the Commission is soliciting comments on any public interest issues raised by the complaint.

FOR FURTHER INFORMATION CONTACT: Marilyn R. Abbott, Secretary to the Commission, U.S. International Trade Commission, 500 E Street, SW.,

Washington, DC 20436, telephone (202) 205-2000. The public version of the complaint can be accessed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>, and will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, SW., Washington, DC 20436, telephone (202) 205-2000.

General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>). The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint filed on behalf of Thomson Licensing SAS and Thomson Licensing LLC on October 25, 2010. The complaint alleges violations of section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain liquid crystal display devices, including monitors, televisions, and modules, and components thereof. The complaint names as respondents Qisda Corporation, Taiwan, R.O.C., Qisda America Corporation, Irvine, CA, BenQ Corporation, Taiwan, R.O.C., BenQ America Corporation, Irvine, CA, BenQ Latin America Corporation, Miami, FL, AU Optronics Corporation, Taiwan, R.O.C., and AU Optronics Corporation America, Houston, TX.

The complainant, proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five pages in length, on any public interest issues raised by the complaint. Comments should address whether issuance of an exclusion order and/or a cease and desist order in this investigation would negatively affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

- (i) Explain how the articles potentially subject to the orders are used in the United States;
- (ii) Identify any public health, safety, or welfare concerns in the United States relating to the potential orders;

(iii) Indicate the extent to which like or directly competitive articles are produced in the United States or are otherwise available in the United States, with respect to the articles potentially subject to the orders; and

(iv) Indicate whether Complainant, Complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to an exclusion order and a cease and desist order within a commercially reasonable time.

Written submissions must be filed no later than by close of business, five business days after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Submissions should refer to the docket number ("Docket No. 2766") in a prominent place on the cover page and/or the first page. The Commission's rules authorize filing submissions with the Secretary by facsimile or electronic means only to the extent permitted by section 201.8 of the rules (*see Handbook for Electronic Filing Procedures*, http://www.usitc.gov/secretary/fed_reg_notices/rules/documents/handbook_on_electronic_filing.pdf). Persons with questions regarding electronic filing should contact the Secretary (202-205-2000).

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. *See* 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and of sections 201.10 and 210.50(a)(4) of the Commission's Rules of Practice and Procedure (19 CFR 201.10, 210.50(a)(4)).

By order of the Commission.

Issued: October 25, 2010.

Marilyn R. Abbott,

Secretary to the Commission.

BILLING CODE 7020-02-P

DEPARTMENT OF JUSTICE

Notice of Lodging of First Amendment to Consent Decree Under the Clean Water Act

Notice is hereby given that on October 21, 2010, a proposed First Amendment to Consent Decree ("First Amendment") in *United States and State of Ohio v. City of Toledo, Ohio*, Civil Action No. 3:91:CV7646, was lodged with the United States District Court for the Northern District of Ohio.

In this action, on December 17, 2002, the Court approved and entered a Consent Decree between the United States and State of Ohio as plaintiffs and the City of Toledo ("Toledo") as defendant, which required Toledo, among other matters, to develop and obtain approval from the United States and Ohio Environmental Protection Agencies ("EPA" and "Ohio EPA"), and, once approved, implement a long term control plan to reduce its discharges of combined sanitary sewage and stormwater into the Maumee and Ottawa Rivers and Swan Creek. The Consent Decree also required Toledo to make major improvements to and increase the capacity of its wastewater treatment plant. The First Amendment recognizes EPA and Ohio EPA's approval of Toledo's long term control plan and makes certain changes to Toledo's requirements to construct improvements at its wastewater treatment plant. In addition, the First Amendment requires Toledo to perform a study that evaluates how effectively Toledo's wet weather treatment facility, built pursuant to the Consent Decree, eliminates pathogens from the wastewater being treated.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the First Amendment. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and either e-mailed to pubcomment-ees.enrd@usdoj.gov or mailed to P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States and State of Ohio v. City of Toledo, Ohio*, D.J. Ref. 90-5-1-1-3554.

The First Amendment may be examined at the Office of the United States Attorney, Four Seagate, Suite 308,

Toledo, OH 43604, and at U.S. EPA Region 5, 77 West Jackson Blvd., Chicago, IL 60604. During the public comment period, the First Amendment may also be examined on the following Department of Justice Web site, to http://www.usdoj.gov/enrd/Consent_Decrees.html. A copy of the First Amendment may also be obtained by mail from the Consent Decree Library, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611 or by faxing or e-mailing a request to Tonia Fleetwood (tonia.fleetwood@usdoj.gov), fax no. (202) 514-0097, phone confirmation number (202) 514-1547. In requesting a copy from the Consent Decree Library, please enclose a check in the amount of \$ 4.00 (25 cents per page reproduction cost) payable to the U.S. Treasury or, if by e-mail or fax, forward a check in that amount to the Consent Decree Library at the stated address.

Maureen M. Katz,

Assistant Chief, Environmental Enforcement Section, Environment and Natural Resources Division.
