SUPPLEMENTARY INFORMATION: As required by the Paperwork Reduction Act of 1995 (Pub. L. 104-13) as amended (44 U.S.C. chapter 35), OPM is soliciting comments for this collection (OMB No. 3206-0194). OPM is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Background

The Questionnaire for Public Trust Positions, SF 85P and Supplemental Questionnaire for Selected Positions, SF 85P-S, are information collections completed by applicants for, or incumbents of, Federal Government civilian positions, or positions in private entities performing work for the Federal Government under contract (SF 85P only). The collections are used as the basis of information for background investigations to establish that such persons are:

Suitable for employment or retention in Federal employment in a public trust position or fit for employment or retention in Federal employment in the excepted service when the duties to be performed are equivalent in degree of trust reposed in the incumbent to a public trust position;

Fit to perform work on behalf of the Federal Government pursuant to the Government contract, when the duties to be performed are equivalent in degree

of trust reposed in the individual to a public trust position;

Eligible for physical and logical access to federally controlled facilities or information systems, when the duties to be performed by the individual are equivalent to the duties performed by an employee in a public trust position.

For applicants, the SF 85P and SF 85P-S are to be used only after a conditional offer of employment has been made. The SF 85P-S is supplemental to the SF 85P and is used only as approved by OPM, for certain positions such as those requiring carrying of a firearm. eApp (Electronic Application) is a web-based system application that houses the SF 85P and SF 85P-S. A variable in assessing burden hours is the nature of the electronic application. The electronic application includes branching questions and instructions which provide for a tailored collection from the respondent based on varying factors in the respondent's personal history. The burden on the respondent is reduced when the respondent's personal history is not relevant to a particular question. The question branches, or expands for additional details, only for those persons who have pertinent information to provide regarding that line of questioning. Accordingly, the burden on the respondent will vary depending on whether the respondent's personal history relates to the information collection.

OPM recommends renewal of the form without any proposed changes.

AGENCY: Securities and Exchange Commission.

ACTION: Notice of the text of amendment to national market system plan.

DATES: The effective date for the amendment to the CAT NMS Plan is January 2, 2024.

Compliance date: The compliance date for the amendment to the CAT NMS Plan is July 1, 2025.

FOR FURTHER INFORMATION CONTACT: Timothy M. Riley, Branch Chief; Patrice M. Pitts, Special Counsel; James R. Curley, Special Counsel; Jessica Kloss, Attorney-Advisor; Brendan McLeod, Attorney-Advisor; Roland Lindmayer, Attorney-Advisor; and Josephine Tao, Assistant Director, Office of Trading Practices, Division of Trading and Markets, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549, at (202) 551-5777.

SUPPLEMENTARY INFORMATION:

I. Background

In the Adopting Release, the Commission is adopting new 17 CFR 240.13f-2 ("Rule 13f-2") and related Form SHO (referenced in 17 CFR 249.332) under the Securities Exchange Act of 1934 ("Exchange Act"). Rule 13f-2 requires certain institutional investment managers to report, on a monthly basis on new Form SHO, certain prescribed short position data and short activity data for certain equity securities. The Commission is not adopting the proposed amendment to the CAT NMS Plan that would have required the reporting to the Consolidated Audit Trail of "buy to cover" order marking. The Commission is adopting an amendment to the CAT

NMS Plan, pursuant to 17 CFR 242.608(a)(2) and (b)(2), to require the reporting to the Consolidated Audit Trail of reliance on the bona fide market making exception in Regulation SHO, with some non-substantive, technical changes with regard to the wording of the rule text.¹ This Notice is being given of the text of the adopted amendment to the CAT NMS Plan. For a full discussion of the adopted amendment to the CAT NMS Plan, see the Adopting Release.
