

represents that since the date of service, neither Registrant, nor any person purporting to represent him, has requested a hearing or submitted a written statement while waiving his right to a hearing. *See* Govt. Req. for Final Agency Action, at 3–4. Because more than thirty (30) days have now passed since the date of service of the Show Cause Order and Registrant has neither requested a hearing nor submitted a written statement in lieu of a hearing, I find that he has waived his right to either request a hearing or to submit a written statement. 21 CFR 1301.43(d). I therefore issue this Decision and Final Order based on the record submitted by the Government. *Id.* § 1301.43(e). I make the following findings.

### Findings

Registrant is the holder of DEA Certificate of Registration AM1585770, pursuant to which he is authorized to dispense controlled substances in schedules II–V as a practitioner, at the registered address of 1206 E. 9th St., Suite 210, Lockport, Illinois. GX 2. His registration does not expire until January 31, 2018. *Id.*

On March 5, 2015, the Illinois Department of Financial and Professional Regulation, Division of Professional Regulation, ordered the suspension of Respondent's Illinois Physician and Surgeon License, as well as his state Controlled Substance Licenses, pending proceedings before the Department of Financial and Professional Regulation and the Medical Disciplinary Board of the State. GX 4 at 1. I take official notice that as of this date, the public Web site maintained by the Illinois Department of Financial and Professional Regulation shows that Registrant's Physician and Surgeon License as well as his Illinois Controlled Substance Licenses remain suspended based on the State's allegations that he engaged in “unprofessional conduct, aid[ed] and abet[ed] [the] unlicensed practice of medicine and [committed] multiple violations of the Controlled Substance Act.”<sup>1</sup> *See* <https://ilesonline.idfpr.illinois.gov/DPR/Lookup/LicenseLookup.aspx>.

### Discussion

Pursuant to 21 U.S.C. 824(a)(3), the Attorney General is authorized to suspend or revoke a registration issued under section 823, “upon a finding that

the registrant . . . has had his State license or registration suspended [or] revoked . . . by competent State authority and is no longer authorized by State law to engage in the . . . dispensing of controlled substances.” Moreover, DEA has repeatedly held that the possession of authority to dispense controlled substances under the laws of the State in which a practitioner engages in professional practice is a fundamental condition for obtaining and maintaining a practitioner's registration. *See James L. Hooper*, 76 FR 71371 (2011), *pet. for rev. denied*, 481 Fed. App'x 826 (4th Cir. 2012).

This rule derives from the text of two provisions of the CSA. First, Congress defined “the term ‘practitioner’ [to] mean [ ] a . . . physician . . . or other person licensed, registered or otherwise permitted, by . . . the jurisdiction in which he practices . . . to distribute, dispense, [or] administer . . . a controlled substance in the course of professional practice.” 21 U.S.C. 802(21). Second, in setting the requirements for obtaining a practitioner's registration, Congress directed that “[t]he Attorney General shall register practitioners . . . to dispense . . . controlled substances . . . if the applicant is authorized to dispense . . . controlled substances under the laws of the State in which he practices.” 21 U.S.C. 823(f). Because Congress has clearly mandated that a practitioner possess state authority in order to be deemed a practitioner under the Act, DEA has long held that the revocation of a practitioner's registration is the appropriate sanction whenever he is no longer authorized to dispense controlled substances under the laws of the State in which he practices medicine. *See, e.g., Calvin Ramsey*, 76 FR 20034, 20036 (2011); *Sheran Arden Yeates, M.D.*, 71 FR 39130, 39131 (2006); *Dominick A. Ricci*, 58 FR 51104, 51105 (1993); *Bobby Watts*, 53 FR 11919, 11920 (1988).

This is so even where a state board has suspended a practitioner's authority prior to providing the practitioner with a hearing to contest the board's allegations. *See Gary Alfred Shearer*, 78 FR 19009 (2013) (holding that revocation is warranted even where a state order has summarily suspended a practitioner's controlled substances authority and the state agency's order remains subject to challenge in either administrative or judicial proceedings); *see also Bourne Pharmacy, Inc.*, 72 FR 18273, 18274 (2007); *Winfield Drugs, Inc.*, 52 FR 27070 (1987). Accordingly, consistent with agency precedent, the revocation of Registrant's registration is warranted.

Because Registrant currently lacks authority to dispense controlled substances in Illinois, the State in which he holds his DEA registration, I will order that his registration be revoked and that any pending applications be denied.

### Order

Pursuant to the authority vested in me by 21 U.S.C. 823(f) and 824(a), as well as 21 CFR 0.100(b), I order that DEA Certificate of Registration AM1585770, issued to William Mikaitis, M.D., be, and it hereby is, revoked. I further order that any pending application of William Mikaitis, M.D., to renew or modify his registration, as well as any other pending application of William Mikaitis, M.D., for a DEA Certificate of Registration, be, and it hereby is, denied. This Order is effective immediately.<sup>2</sup>

#### Notice of Lodging of Proposed Settlement Agreement Under the Clean Water Act

Notice is hereby given that, for a period of 30 days, the United States will receive public comments on a proposed Settlement Agreement and Final Judgment on Consent ("Settlement Agreement") in *United States v. ATP Oil & Gas Corp. et al.* (Civil Action No. 2:13-cv-0262), which was lodged with the United States District Court for the Eastern District of Louisiana on November 19, 2015.

The Complaint in this case was filed against ATP Oil & Gas Corporation ("ATP") and ATP Infrastructure Partners, LP ("ATP-IP") in February 2013. The Complaint seeks civil penalties and injunctive relief under the Clean Water Act ("CWA") and injunctive relief under the Outer Continental Shelf Lands Act ("OCSLA") related to unauthorized discharges of oil and chemicals from an oil platform, the ATP Innovator, into the Gulf of Mexico. ATP is going through a Chapter 7 bankruptcy proceeding and is no longer operating.

Under the proposed Settlement Agreement, ATP agrees to a final civil penalty judgment of \$38 million for multiple alleged violations of the Clean Water Act. The penalty judgment will be treated as an allowed unsecured claim in ATP's bankruptcy proceeding. A prior settlement approved by the district court in May 2015 resolved the claims against ATP-IP and secured penalties as well as OCSLA and CWA injunctive relief related to the safe future operation of the ATP Innovator in U.S. waters.

The publication of this notice opens a period for public comment on the proposed Settlement Agreement. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, and should refer to *United States v. ATP Oil & Gas Corp. et al.* (Civil Action No. 2:13-cv-0262), D.J. Ref. No. 90-5-1-1-10681/1. All comments must be submitted no later than thirty (30) days after the publication date of this notice.
