[Release No. 34-61334; File No. SR-ISE-2009-115]

Self-Regulatory Organizations; International Securities Exchange, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to a Market Maker Incentive Plan for Foreign Currency Options

January 12, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on December 31, 2009, the International Securities Exchange, LLC (the "Exchange" or the "ISE") filed with the Securities and Exchange Commission ("Commission") the proposed rule change, as described in Items I, II, and III below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The ISE is proposing to extend an incentive plan for market makers in three foreign currency options ("FX Options"). The text of the proposed rule change is available on the Exchange's Web site (<http://www.ise.com>), on the Commission's Web site at <http://www.sec.gov>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On August 3, 2009, the Exchange began trading options on the New Zealand dollar ("NZD"), the Mexican peso ("PZO") and the Swedish krona ("SKA")³ and adopted an incentive plan applicable to market makers in NZD, PZO and SKA.⁴ The Exchange subsequently extended the date by which market makers may join the incentive plan.⁵ The purpose of this proposed rule change is to again extend the date by which market makers may join the incentive plan.

In order to promote trading in these FX Options, the Exchange has an incentive plan pursuant to which the Exchange waives the transaction fees for the Early Adopter⁶ FXPMM⁷ and all Early Adopter FXCMMs⁸ that make a market in NZD, PZO and SKA for as long as the incentive plan is in effect. Further, pursuant to a revenue sharing agreement entered into between an Early Adopter Market Maker and ISE, the Exchange pays the Early Adopter FXPMM forty percent (40%) of the transaction fees collected on any customer trade in NZD, PZO and SKA and pays up to ten (10) Early Adopter FXCMMs that participate in the incentive plan twenty percent (20%) of the transaction fees collected for trades between a customer and that FXCMM. Market makers that do not participate in the incentive plan are charged regular transaction fees for trades in these products. In order to participate in the incentive plan, market makers are required to enter into the incentive plan no later than December 31, 2009. The Exchange now proposes to extend the

date by which market makers may enter into the incentive plan to March 31, 2010.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the objectives of Section 6 of the Act,⁹ in general, and furthers the objectives of Section 6(b)(4),¹⁰ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. The Exchange believes the proposed rule change will permit additional market makers to join the incentive plan which in turn will generate additional order flow to the Exchange by creating incentives to trade these FX Options as well as defray operational costs for Early Adopter Market Makers.

B. Self-Regulatory Organization's Statement on Burden on Competition

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3) of the Act¹¹ and Rule 19b-4(f)(2)¹² thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposal is consistent with the Act. Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-61322; File No. SR-CHX-2010-01]

**Self-Regulatory Organizations;
Chicago Stock Exchange, Inc.; Notice
of Filing and Immediate Effectiveness
of Proposed Rule Change To
Implement a Tiered Fee Schedule**

January 11, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 4, 2010, the Chicago Stock Exchange, Inc. ("CHX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared by the Exchange. CHX filed the proposal pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(2) thereunder,⁴ which renders the proposal effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's
Statement of the Terms of Substance of
the Proposed Rule Change**

The CHX proposes to amend its Schedule of Participant Fees and Assessments (the "Fee Schedule"), effective January 4, 2010, to implement a tiered rate of fees when removing or providing liquidity on the Exchange. The text of the proposed rule change is available on the Exchange's Web site at http://www.chx.com/rules/proposed_rules.htm, on the Commission's Web site at <http://www.sec.gov>, at CHX, and at the Commission's Public Reference Room.

**II. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's
Statement of the Purpose of, and
Statutory Basis for, the Proposed Rule
Change*

1. Purpose

Through this filing, the Exchange would amend its Fee Schedule, effective January 4, 2010, to provide for a tiered schedule of fees and rebates for Participants for trade executions of single-sided orders in securities priced over \$1 in the event that certain volume thresholds are achieved. The volume thresholds are based on the Participant's Average Daily Volume ("ADV"), which is determined, with respect to a given Participant, by the number of shares such Participant has executed as a liquidity provider in any and all trading sessions on average per trading day (excluding partial trading days) across all tapes on the trading facilities of the CHX (excluding all cross transactions) for the calendar month in which the executions occurred.

According to this proposal, a Participant entering a single-sided (i.e., not a cross order type) order in Tape A and C securities would be charged a fee of \$0.003/share when removing liquidity from the Matching System if its monthly ADV (as defined above) is 500,000 shares or less. Such Participants would also receive a rebate of \$0.0026/share when they provided liquidity to the Matching System. Participants which had a monthly ADV of greater than 500,000 up to and including 5,000,000 shares would be charged a fee of \$0.0029 when removing liquidity. Participants falling into this category would also receive a rebate of \$0.0028/share when providing liquidity to the Matching System. Finally, Participants which had a monthly ADV of greater than 5,000,000 shares would pay a fee of \$0.0028 when removing liquidity from the Matching System and a rebate of \$0.003 when they provided liquidity.

For Tape B securities, a Participant entering a single-sided (i.e., not a cross order type) order would be charged a fee of \$0.003/share when removing liquidity from the Matching System if its monthly ADV is 500,000 shares or less. Such Participants would also receive a rebate of \$0.0028/share when they provided liquidity to the Matching System. Participants which had a monthly ADV of greater than 500,000 up to and including 5,000,000 shares would be charged a fee of \$0.0029 when removing liquidity. Participants falling into this category would also receive a rebate of \$0.003/share when providing liquidity to the Matching System. Finally, Participants which had a monthly ADV greater than 5,000,000
