*Expiration Date of Approval:* January 31, 2001.

*Type of Request:* Extension of Currently Approved Information Collection.

*Estimated Total Annual Burden on Respondents:* 16,000 hours.

The Agency is soliciting comments on the burden of all of the above subparts regarding: (a) Whether the collection of information is necessary for the proper performance of the functions of the

agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
