

construction by Congress in 1965. Additional studies and a preliminary draft EIS were prepared in the 1970s. In 1980, prior to public review of the EIS, the local sponsor decided not to continue sponsoring the project. In 2000, the River Valley Regional Water District identified themselves as a willing sponsor and requested that the Corps of Engineers reevaluate the project. The proposed Pine Mountain Dam Project is being undertaken by USACE, Little Rock District under the direction of the U.S. Congress. A study will be conducted consisting of major hydraulics and hydrologic investigations, economic analyses, alternative development and related analyses in conjunction with the EIS.

2. Comments/Scoping Meeting: Interested parties are requested to express their views concerning the proposed activity. The public is encouraged to provide written comments in addition to or in lieu of oral comments at scoping meetings. To be most helpful, scoping comments should clearly describe specific environmental topics or issues, which the commentator believes the document should address. Oral and written comments receive equal consideration.

Scoping meetings will be held with government agencies and the public in the spring/summer of 2006 in Crawford County, AR. The location, time, and date will be published at least 14 days prior to each scoping meeting. Comments received as a result of this notice and the news releases will be used to assist the District in identifying potential impacts to the quality of the human or natural environment. Affected local, state, or Federal agencies, affected Indian Tribes, and other interested private organizations and parties may participate in the scoping process by forwarding written comments to (see **ADDRESSES**). Interested parties may also request to be included on the mailing list for public distribution of meeting announcements and documents.

4. Alternatives/Issues: The EIS will evaluate the effects of the Pine Mountain Dam and Lake, other practical alternatives, and other identified concerns. Anticipated significant issues to be addressed in the EIS include impacts on: (1) Flooding, (2) water supply, (3) recreation and recreation facilities, (4) stream hydraulics, (5) fish and wildlife resources and habitats, and (6) other impacts identified by the Public, agencies or USACE studies.

5. Availability of the Draft EIS: The Draft EIS is anticipated to be available for public review in early 2009 subject to the receipt of federal funding.

6. Authority: Pine Mountain Dam and Lake was authorized for construction by the Flood Control Act of 1965 (Title II, Pub. L. 89-298) substantially in accordance with the recommendations of the Chief of Engineers in House Document No. 270, 89th Congress.

Wally Z. Walters,

Colonel, Corps of Engineers, District Commander.

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

SUMMARY: The IC Clearance Official, Regulatory Information Management Services, Office of Management, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before June 30, 2006.

SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequent of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used

in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Dated: April 24, 2006.

Angela C. Arrington,

IC Clearance Official, Regulatory Information Management Services, Office of Management.

Office of Postsecondary Education
