**SUPPLEMENTARY INFORMATION:** The BLS signs cooperative agreements with States, and political subdivisions thereof, to assist them in developing and administering programs that deal with occupational safety and health statistics and to arrange through these agreements for research to further the objectives of the Occupational Safety and Health Act. The Cooperative Agreement is the vehicle through which State grant agencies are awarded funds. The Cooperative Agreement package

includes application instructions and materials, as well as financial reporting, closeout and other administrative requirements. The information collection is being revised to include a Transmittal and Certification Form, Financial Reconciliation Worksheet, and Property Listing.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information if the collection of information does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under OMB Control Number 1220-0149. The current OMB approval is scheduled to expire on July 31, 2012; however, it should be noted that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements only take effect upon OMB approval. For additional information, see the related notice published in the **Federal Register** on November 16, 2011 (76 FR 71076).

Interested parties are encouraged to send comments to the OMB, Office of Information and Regulatory Affairs at the address shown in the **ADDRESSES** section within 30 days of publication of this notice in the **Federal Register**. In order to help ensure appropriate consideration, comments should reference OMB Control Number 1220-0149. The OMB is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or

other forms of information technology, e.g., permitting electronic submission of responses.

**DEPARTMENT OF LABOR****Office of the Secretary****All Items Consumer Price Index for All Urban Consumers; United States City Average**

Pursuant to Section 112 of the 1976 amendments to the Federal Election Campaign Act (Pub L. 94-283, 2 U.S.C. 441a (c)(2)(B)(i) and (ii)), the Secretary of Labor has certified to the Chairman of the Federal Election Commission and publishes this notice in the **Federal Register** that the United States City Average All Items Consumer Price Index for All Urban Consumers (1967 = 100) increased 356.2 percent from its 1974 annual average of 147.7 to its 2011 annual average of 673.818 and that it increased 27.0 percent from its 2001 annual average of 530.4 to its 2011 annual average of 673.818. Using 1974 as a base (1974 = 100), I certify that the United States City Average All Items Consumer Price Index for All Urban Consumers thus increased 356.2 percent from its 1974 annual average of 100 to its 2011 annual average of 456.207. Using 2001 as a base (2001 = 100), I certify that the United States City Average All Items Consumer Price Index for All Urban Consumers increased 27.0 percent from its 2001 annual average of 100 to its 2011 annual average of 127.040. Using 2006 as a base (2006 = 100), the CPI increased 11.6 percent from its 2006 annual average of 100 to its 2011 annual average of 111.578.
