Membership and Designation. The Secretary is soliciting nominations for appointment to the 15-member Advisory Panel from among members of the general public who are individuals who have distinguished themselves in the fields of long-term services and supports; aging and disability populations and services; practices that help reduce high personal care attendant workforce vacancy and turnover rates; Medicaid, Medicare, the Older Americans Act and the Workforce Investment System; community residential services; and policy analysis and development related to the financing, access, provision and quality of health care services.
