ACTION: Notice.

SUMMARY: Notice is hereby given that the Department of Veterans Affairs (VA) intends to continue a recurring computer program matching Social Security Administration (SSA) records with VA pension and parents' dependency and indemnity compensation (DIC) records.

The goal of this match is to compare income and employment status as reported to VA with wage records maintained by SSA.

VA plans to match records of veterans, surviving spouses and children who receive pension, and parents who receive DIC, with SSA income tax return information as it relates to earned income. VA will also match records of veterans receiving disability compensation at the 100 percent rate based on unemployment with SSA income tax return information as it relates to earned income.

VA will use this information to adjust VA benefit payments as prescribed by law. The proposed matching program will enable VA to ensure accurate reporting of income and employment status.

The authority for this matching program is 38 U.S.C. 5106, which requires Federal agencies to furnish VA with information necessary to determine eligibility for or amount of benefits. In addition, 26 U.S.C. 6103(l)(7) authorizes the disclosure of tax return information to VA.
