

Proposed Action. The Postal Service proposes to utilize mobile fueling contractors to fuel vehicles on site at selected postal facilities located throughout the United States. The program would focus on, but not be limited to, city and rural delivery units with 30 or more routes using vehicles owned by the Postal Service. Based on these criteria, it is anticipated that up to 1,100 sites may be eligible to convert to mobile fueling. Mobile fueling, also known as fleet fueling, wet fueling, or wet hosing, is the practice of filling fuel tanks of vehicles directly from tank trucks. In this scenario, mobile refueling contractors drive tank trucks onto Postal Service property to fuel parked delivery vehicles and drive the tank trucks off site when fueling is completed. At this time, the only alternative identified is the “no action” alternative of continuing to fuel delivery vehicles off-site at commercial gas stations.

SECURITIES AND EXCHANGE COMMISSION

Sunshine Act Meeting

Notice is hereby given, pursuant to the provisions of the Government in the Sunshine Act, Public Law 94-409, that the Securities and Exchange Commission will hold an Open Meeting on June 18, 2010 at 10 a.m. in the Auditorium, Room L-002, to hear oral argument in an appeal by Guy S. Amico and Scott H. Goldstein from the decision of an administrative law judge. The law judge found that Amico and Goldstein, the president and chief executive officer, respectively, of registered broker-dealer Newbridge Securities Corporation, failed reasonably to supervise Daniel M. Kantrowitz, a former trader at Newbridge, within the meaning of Sections 15(b)(4)(E) and 15(b)(6) of the Securities Exchange Act of 1934, with a view to detecting and preventing Kantrowitz's violations of the registration and antifraud provisions of the federal securities laws. For these failures, the law judge barred Amico and Goldstein from associating with a broker-dealer in a supervisory capacity with a right to apply for reinstatement after two years and imposed on each a civil money penalty of \$79,000.

Among the issues likely to be argued are whether Kantrowitz's conduct violated the registration and antifraud

provisions of the securities laws, whether Amico and Goldstein failed reasonably to supervise Kantrowitz, and, if so, whether and to what extent sanctions should be imposed on Amico and Goldstein.

At times, changes in Commission priorities require alterations in the scheduling of meeting items.
