

the Federal Reserve Act, 12 U.S.C. 602 and 625 (Edge and Agreement corporations); section 5 of the Bank Holding Company Act of 1956, 12 U.S.C. 1844 (bank holding companies) and, in conjunction with section 8 of the International Banking Act, 12 U.S.C. 3106 (foreign banking organizations); section 7(c) of the International Banking Act of 1978, 12 U.S.C. 3105(c) (branches and agencies of foreign banks); section 10 of the Home Owners' Loan Act, 12 U.S.C. 1467a, (savings and loan holding companies), and section 165(i) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, 12 U.S.C. 5365 (nonbank financial companies supervised by the Board).

Because the collections of information associated with the FR 4202 do not involve the submission of information to the Board, no issues of confidentiality would normally arise. To the extent that the Board collects such information during an examination of the banking organization, confidential treatment may be afforded to that information under exemption 8 of the Freedom of Information Act (FOIA) (5 U.S.C. 552(b)(8)), which protects information collected as part of the Board's supervisory process. Additionally, individual respondents may request confidential treatment of information pursuant to exemption 4 of the FOIA (5 U.S.C. 552(b)(4)), which protects "trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential." The Board will treat such information as confidential to the extent permitted by law, including the FOIA.

Current actions: On March 8, 2021, the Board published an initial notice in the **Federal Register** (86 FR 13378) requesting public comment for 60 days on the extension, without revision, of the FR 4202. The comment period for this notice expired on May 7, 2021. The Board did not receive any comments. The Board will adopt the extension, without revision, of the FR 4202 as originally proposed.

Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Basel II Interagency Pillar 2 Supervisory Guidance.

Agency form number: FR 4199.

OMB control number: 7100-0320.

Frequency: As needed.

Respondents: State member banks and bank holding companies (BHCs) that use the advanced approaches framework.

Estimated number of respondents: 15.

Estimated average hours per response: 420.

Estimated annual burden hours: 6,300.

General description of report: The Pillar 2 Guidance is intended to assist banking organizations that are subject to the Basel II advanced approaches capital adequacy framework (advanced approaches framework) in applying that framework. Advanced approaches banking organizations are required to use an internal ratings-based approach to calculate regulatory credit risk capital requirements and advanced measurement approaches to calculate regulatory operational risk capital requirements. Banking organizations are required to meet certain qualification requirements before they can use the advanced approaches framework for risk-based capital purposes. The Pillar 2 Guidance sets the expectation that such organizations maintain certain documentation as described in paragraphs 37, 41, 43, and 46 of this portion of the guidance.

Legal authorization and confidentiality: The collection of information is authorized pursuant to sections 9 and 11 of the Federal Reserve Act, section 5 of the Bank Holding Company Act of 1956, and section 161 of the Dodd-Frank Wall Street Reform and Consumer Protection Act. The FR 4199 is voluntary.

Because the collections of information associated with the guidance is maintained by each institution, the Freedom of Information Act (FOIA) would only be implicated if the Board obtained such records as part of the examination or supervision of a banking organization. In the event the records are obtained by the Board as part of the examination or supervision of a financial institution, this information would be considered confidential pursuant to exemption 8 of the FOIA, which protects information contained in "examination, operating, or condition reports" obtained in the bank supervisory process. In addition, the information may also be kept confidential under exemption 4 of the FOIA, which protects trade secrets and commercial or financial information obtained from a person that is both customarily and actually treated as private by the respondent.

Consultation outside the agency: The Board has consulted with the Federal Deposit Insurance Corporation and the Office of the Comptroller of the Currency and confirmed that there will

be no revisions to the guidance, and no revision to the time per response estimates.

Board of Governors of the Federal Reserve System, June 4, 2021.

Ann Misback,

Secretary of the Board.
