

Comments, motions to intervene, protests, and requests for cooperating agency status may be filed electronically via the Internet in lieu of paper. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov>) under the "e-Filing" link.

l. Arizona Public Service Company (APS) filed an application to surrender its major license for the Childs-Irving Project. APS requests that the Commission approve the following: (1) The surrender of the project license effective as of the date APS completes decommissioning activities; (2) the continuance of power generation at the project until December 31, 2004; and (3) the decommissioning proposal established in the September 15, 2000, Settlement Agreement. APS also requests incorporation into the record for the subject surrender proceeding 13 documents filed with the Commission as part of the earlier relicensing proceeding. The application includes a schedule for filing additional information with the Commission to support the surrender application.

m. A copy of the application is on file with the Commission and is available for public inspection. This filing may also be viewed on the Web at <http://www.ferc.gov> using the "RIMS" link—select "Docket #" and follow the instructions (call 202-208-2222 for assistance). A copy is also available for inspection and reproduction at the address in item h above.

n. With this notice, we are initiating consultation with the State Historic Preservation Officer as required by § 106, National Historic Preservation Act, and the regulations of the Advisory Council on Historic Preservation, 36 CFR 800.4.

o. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Any filings must bear in all capital letters the title "COMMENTS," "PROTEST," or "MOTION TO INTERVENE," as applicable, and the

Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Magalie R. Salas,

Secretary.

b. *Project No.:* 12140-000.

c. *Date filed:* December 3, 2001.

d. *Applicant:* Love Bear Lake, Inc.

e. *Name of Project:* Love Bear Lake Project.

f. *Location:* On Bear River, in Bear Lake County, Idaho. The project would not use any federal lands or facilities.

g. *Filed Pursuant to:* Federal Power Act, 16 USC §§ 791(a)—825(r).

h. *Applicant Contact:* Mr. William Russ Waite, 485 N. 3rd Street, Montpelier, ID 83254, Phone (208) 847-3152.

i. *FERC Contact:* Robert Bell, (202) 219-2806.

j. *Deadline for filing motions to intervene, protests and comments:* 60 days from the issuance date of this notice.

All documents (original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site under the

"e-Filing" link. Please include the project number (P-12140-000) on any comments or motions filed.

The Commission's Rules of Practice and Procedure require all interveners filing documents with the Commission to serve a copy of that document on each person in the official service list for the project. Further, if an intervener files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Project:* The proposed project would consist of: (1) A proposed 2,700-foot-long, 90-foot-long rolled earth or rock filled dam, (2) a proposed impoundment with a surface area of xxx acres having a storage capacity of 300,000 acre-feet and a normal water surface elevation of 5,820 feet msl, (3) a proposed powerhouse containing four generating units having a total installed capacity of, (4) four proposed 5-mile-long, 12.5 kV transmission line, and (5) appurtenant facilities.

The project would have an annual generation of 6.2 GWh that would be sold to a local utility.

l. Copies of this filing are on file with the Commission and are available for public inspection. This filing may also be viewed on the Web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance).

m. Preliminary Permit—Anyone desiring to file a competing application for preliminary permit for a proposed project must submit the competing application itself, or a notice of intent to file such an application, to the Commission on or before the specified comment date for the particular application (see 18 CFR 4.36). Submission of a timely notice of intent allows an interested person to file the competing preliminary permit application no later than 30 days after the specified comment date for the particular application. A competing preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

n. Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no

later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

o. **Notice of Intent**—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

p. **Proposed Scope of Studies under Permit**—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on the results of these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

q. **Comments, Protests, or Motions to Intervene**—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

r. **Filing and Service of Responsive Documents**—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named documents must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426. An additional copy must be sent to Director, Division of Hydropower Administration and Compliance, Federal Energy Regulatory Commission, at the above-mentioned

address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

s. **Agency Comments**—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Magalie R. Salas,
Secretary.

Notice of Unlicensed Project Review and Solicitation of Comments, Protests and Motions To Intervene

May 10, 2002.

Take notice that the following review has been initiated by the Commission:

- a. *Review Type*: Unlicensed Project.
- b. *Docket No.*: UL01-3-000.
- c. *Owner*: PacifiCorp.
- d. *Name of Project*: Naches Hydroelectric Project.
- e. *Location*: The project is located on the Naches River in Yakima County, Washington. (T. 14 N., R. 17 E., secs. 2, 3, 11, 12 and 13; T. 15 N., R. 16 E., sec. 36; and T. 15 N., R. 17 E., secs. 31, 32, and 33, Willamette Meridian, Washington). This project does not occupy Federal or Tribal lands.

f. *FERC Contact*: Any questions on this notice should be addressed to Henry Ecton (202) 219-2678, or e-mail address: henry.ecton@ferc.gov.

g. *Deadline for filing comments, protests, and/or motions to intervene*: June 13, 2002.

All documents (original and eight copies) should be filed with: Magalie R. Salas, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington DC 20426. Comments, protests, and interventions may be filed electronically via the Internet in lieu of paper. Any questions, please contact the Secretary's Office. See, 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's web site at <http://www.ferc.gov>.

Please include the docket number (UL01-3-000) on any comments, protests, or motions to intervene filed.

h. *Description of Project*: The existing Naches Hydroelectric Project, a run-of-river project, consists of: (1) A 6-foot-high concrete diversion dam; (2) a concrete intake gate structure; (3) an 8.2-mile-long concrete-lined power canal; (4) the Drop Plant, located 4.8 miles from the intake structure, with a 340-foot-long penstock and containing a turbine-generator rated at 1,400 kW; (5) the Naches Plant, located along the canal 3.4 miles from the Drop Plant, fed by two 545-foot-long penstocks from a small forebay, and containing two hydroelectric generating units with rated capacities of 3,000 kW and 3,370 kW; (6) a 12-kV, 3-mile-long transmission line connecting the two plants; and (7) appurtenant facilities.

Pursuant to Section 23(b)(1) of the Federal Power Act (FPA), 16 U.S.C. 817(1), a non-federal hydroelectric project must (unless it has a still-valid pre-1920 federal permit) be licensed if it is located on a navigable water of the United States; occupies lands of the United States; utilizes surplus water or water power from a government dam; or is located on a body of water over which Congress has Commerce Clause jurisdiction, project construction occurred on or after August 26, 1935, and the project affects the interests of interstate or foreign commerce. The purpose of this notice is to gather information to determine whether the existing project meets any or all of the above criteria, as required by the FPA. Copies of "Navigation Status Report: Yakima River, Washington, and Naches River, Washington" is available on RIMS on the Web under UL01-3-000 (May 2002).

i. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

j. **Protests, or Motions to Intervene**—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any protests or motions to intervene must be received on or before the specified comment date for the particular application.

k. **Filing and Service of Responsive Documents**—Any filings must bear in all capital letters the title "COMMENTS", "PROTEST", OR "MOTION TO INTERVENE", as applicable, and the Docket Number of the particular review.
