SUPPLEMENTARY INFORMATION:

I. Background

The Fair Labor Standards Act (FLSA) section 3(l), 29 U.S.C. 203(l) establishes a minimum age of 16 years for most nonagricultural employment but allows the employment of 14- and 15-year-olds in occupations other than manufacturing and mining or deemed hazardous, if the Secretary of Labor determines such employment is confined to (1) periods that will not interfere with the minor's schooling and (2) conditions that will not interfere with the minor's health and well-being. FLSA section 11(c), 29 U.S.C. 211(c), requires all employers covered by the FLSA to make, keep, and preserve records of their employees' wages, hours, and other conditions and practices of employment. Regulations issued by the Secretary of Labor prescribe the recordkeeping and reporting requirements for these records. Subpart C of Regulations 29 CFR Part 570—Child Labor Regulations, Orders, and Statements of Interpretation—sets forth the employment standards for 14- and 15-year-olds (CL Reg. 3). Regulations 29 CFR 570.35a contain the requirements and criteria for the employment of 14- and 15-year-olds in specific occupations pursuant to a school-supervised and school-administered WECEP under the conditions CL Reg. 3 otherwise prohibits. In order to utilize the CL Reg. 3 WECEP provisions, Regulations 29 CFR 570.35a(b)(2) requires a state educational agency to file an application for approval of a state WECEP program as one not interfering with schooling or with the health and well-being of the minors involved. Regulations 29 CFR 570.35a(b)(3)(vi) requires that a written training agreement be prepared for each student participating in a WECEP and that such agreement be signed by the teacher-coordinator, the employer, and the student. The regulation also requires the student's parent or guardian to sign or otherwise consent to the agreement in order for it to be valid. Regulations 29 CFR 570.35a(b)(4)(ii) requires state education agencies to keep a record of the names and addresses of each school enrolling WECEP students and the number of enrollees in each unit. The state or local educational agency office must keep a copy of the written training agreement for each student participating in the WECEP. The records and copies must be maintained for three (3) years from the date of each student's enrollment in the program. This information collection is currently approved for use through December 31, 2011.
