

TABLE 2—AREAS OF INTEREST—IN VITRO DIAGNOSTIC AND RADIOLOGICAL DEVICES/TECHNOLOGY—Continued

Focus area	Specific areas of interest
Antimicrobial susceptibility testing (AST).	Visit to a clinical laboratory that employs various AST methodologies for identification of antibiotic resistance.

B. Site Selection

CDRH will be responsible for CDRH staff travel expenses associated with the site visits. CDRH will not provide funds to support the training provided by the site to this ELP. Selection of potential facilities will be based on CDRH's priorities for staff training and resources available to fund this program. In addition to logistical and other resource factors, all sites must have a successful compliance record with FDA or another Agency with which FDA has a memorandum of understanding. If a site visit involves a visit to a separate physical location of another firm under contract with the site, that firm must agree to participate in the ELP and must also have a satisfactory compliance history.

III. Request for Participation

Submit proposals for participation with the docket number found in the brackets in the heading of this document. Received requests may be seen in the Division of Dockets Management (see **ADDRESSES**) between 9 a.m. and 4 p.m., Monday through Friday.

Dated: April 2, 2015.

Leslie Kux,

Associate Commissioner for Policy.

BILLING CODE 4164-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

DEPARTMENT OF AGRICULTURE

Solicitation of Written Comments on the Scientific Report of the 2015 Dietary Guidelines Advisory Committee; Extension of Comment Period

AGENCY: Office of the Assistant Secretary for Health, Office of the Secretary, Department of Health and Human Services; and Food, Nutrition and Consumer Services and Research, Education, and Economics. U.S. Department of Agriculture.

ACTION: Notice.

SUMMARY: A notice was published in the **Federal Register** on Monday, February 23, 2015, Vol. 80, No. 35, pages 9465–9466 to announce the availability of the

Scientific Report of the 2015 Dietary Guidelines Advisory Committee (Advisory Report) and to solicit written comments on the Advisory Report (among other things). In the notice dated February 23, 2015, it was announced that the due date for providing comments was April 8, 2015. This notice is to announce the extension of the solicitation period to allow for additional time for written comments to be submitted for consideration.

DATES: The comment period is extended and thus will end at 11:59 p.m., E.D.T. on May 8, 2015.

ADDRESSES: The Advisory Report is available on the Internet at www.DietaryGuidelines.gov. Written public comments on the Advisory Report can be submitted and/or viewed at www.DietaryGuidelines.gov using the “Submit Comments” and “Read Comments” links, respectively.

BILLING CODE 4150-32-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Office of the Director, Office of Science Policy, Office of Biotechnology Activities; Notice of Meeting

Pursuant to section 10(a) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the meeting of the National Science Advisory Board for Biosecurity (NSABB).

Name of Committee: National Science Advisory Board for Biosecurity.

Date: May 5, 2015.

Time: 8:30 a.m.—3:30 p.m. Eastern.

Agenda: Presentations and discussions regarding: (1) NSABB’s proposed framework for guiding risk and benefit assessments of gain-of-function (GOF) studies involving pathogens with pandemic potential; (2) overview of conducting the risk and benefit assessments; (3) planning for future NSABB deliberations on the GOF issue; and (4) other business of the Board.

Place: National Institutes of Health, 9000 Rockville Pike, Building 31, 6th Floor Conference 10, Bethesda, Maryland 20892.

Contact Person: Carolyn Mosby, NSABB Program Assistant, NIH Office of Biotechnology Activities, 6705 Rockledge Drive, Suite 750, Bethesda, Maryland 20892, (301) 435–5504, carolyn.mosby@nih.gov.

Under authority 42 U.S.C. 217a, Section 222 of the Public Health Service Act, as amended, the Department of Health and Human Services established the National Science Advisory Board for Biosecurity (NSABB) to provide advice regarding federal oversight of dual use research, defined as
