DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

August 26, 2013.

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques and other forms of information technology.

Comments regarding this information collection received by September 30, 2013 will be considered. Written comments should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB), New Executive Office Building, 725 17th Street NW., Washington, DC 20503. Commentors are encouraged to submit their comments to OMB via email to OIRA_Submission@omb.eop.gov or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control

number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Forest Service

Title: Disposal of Mineral Materials.

OMB Control Number: 0596-0081.

Summary of Collection: The Forest Service (FS) is responsible for overseeing the management of National Forest System land. The Multiple-Use Mining Act of 1955 (30 U.S.C. 601, 603, 611-615) gives the FS specific authority to manage the disposal of mineral materials mined from National Forest land. FS uses form FS-2800-9, "Contract for the Sale of Mineral Materials" to collect detailed information on the planned mining and disposal operations as well as a contract for the sale of mineral materials.

Need and Use of the Information: Interested parties are asked to provide information that includes the purchaser's name and address, the location and dimensions of the area to be mined, the kind and quantity of material to be mined, the sales price of the mined material, the payment schedule, amount of the bond, and the period of the contract. Collected information from the public will ensure that environmental impacts of mineral material disposal are minimized. A review of the operating plan provides the authorized officer the opportunity to determine if the proposed operation is appropriate and consistent with all applicable land management laws and regulations. The information also provides the means of documenting planned operations and the terms and conditions that the FS deems necessary to protect surface resources. If FS did not collect this information, operations could cause undue damage to surface resources.

Description of Respondents: Business or other for-profit.

Number of Respondents: 4,109.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 11,125.

Charlene Parker,

Departmental Information Collection Clearance Officer.

Forest Service

Notice of New Fee Site

AGENCY: Monongahela National Forest, USDA Forest Service.

ACTION: Notice of New Fee Site.

SUMMARY: The Monongahela National Forest is proposing to charge \$10.00 per night for single unit sites and \$20.00 per night for double unit sites at Island Campground on the Greenbrier Ranger District. The Forest recently finished reconstruction of Island Campground which included relocating and upgrading the campground to provide a safe, fully accessible, 12-unit campground. Prior to reconstruction, this was a small, primitive campground with very few amenities. Fees for overnight use will be used for the continued operation and maintenance of Island Campground.

DATES: Send any comments about this fee proposal by November 1, 2013 so comments can be compiled, analyzed and shared with the Eastern Region Recreation Resource Advisory Committee.

ADDRESSES: Forest Supervisor, Monongahela National Forest, 200 Sycamore Street, Elkins, WV 26241.

FOR FURTHER INFORMATION CONTACT: Eric Sandeno, Recreation Program Manager, 304-636-1800.

SUPPLEMENTARY INFORMATION: The Federal Recreation Lands Enhancement Act (Title VII, Pub. L. 108-447) directed the Secretary of Agriculture to publish a six month advance notice in the **Federal Register** whenever new recreation fee areas are established.

This new fee will be reviewed by the Eastern Region Recreation Resource Advisory Committee prior to a final decision and implementation by the Regional Forester, Eastern Region, USDA Forest Service.

The Monongahela National Forest made upgrades to Island Campground based on public input and support. A market comparison indicates that the \$10.00 per night for single unit sites and \$20.00 per night for double unit sites is both reasonable and acceptable for this sort of recreation experience.

Authority: Federal Lands Recreation Enhancement Act, (Title VIII, Pub. L. 108-447).
