the petitioners), in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213(b), to conduct an administrative review of this CVD order for 16 companies.²

On July 10, 2020, Commerce published in the **Federal Register** a notice of initiation with respect to these companies.³ On October 7, 2020, the petitioners timely withdrew their request for an administrative review for all 16 companies.⁴

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested a review withdraw the request within 90 days of the date of publication of notice of initiation of the requested review. As noted above, the petitioners withdrew their request for review by the 90-day deadline, and no other party requested an administrative review of this order. Therefore, we are rescinding the administrative review of the CVD order on welded structural pipe from Turkey covering the POR in its entirety.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries.
