SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–97301; File No. SR–CboeEDGA–2023–005]

Self-Regulatory Organizations; Cboe EDGA Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Introduce a New Data Product To Be Known as the US Equity Short Volume & Trades Report

April 13, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on April 5, 2023, Cboe EDGA Exchange, Inc. (“Exchange” or “EDGA”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a “non-controversial” proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b–4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

Cboe EDGA Exchange, Inc. (the “Exchange” or “EDGA”) is filing with the Securities and Exchange Commission (“Commission”) a proposed rule change to Exchange Rule 13.8 to introduce a new data product to be known as the US Equity Short Volume & Trades Report. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange's website (http://markets.cboe.com/us/equities/regulation/rule_filings/edga/),

at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**1. Purpose**

The Exchange seeks to amend Rule 13.8 to revise paragraph 13.8(h) in order to introduce a new data product to be known as the US Equity Short Volume & Trades Report. A description of market data products offered by the Exchange is provided in Exchange Rule 13.8 and proposed Rule 13.8(h) provides that the US Equity Short Volume & Trades Report is a report that will contain both an end-of-day short volume report and an end-of-month report that provides a record of all short sale transactions for the month. The proposed US Equity Short Volume & Trades Report will incorporate the existing Short Volume Report⁵ currently described in Rule 13.8(h) as well as introduce a new, end-of-month report containing a record of all short sale transactions for the current month. The proposed US Equity Short Volume & Trades Report is nearly identical to the NYSE TAQ Group Short Sales & Short Volume product and Nasdaq's Short Sale Volume Reports (discussed *infra*).

The end-of-day report (“EOD Report”) included within the US Equity Short Volume & Trades Report will be identical to the existing Short Volume Report published by the Exchange. The existing Short Volume Report summarizes certain equity trading activity on the Exchange, including
