 to otherwise lawful activity; (2) the
 applicant will, to the maximum extent
 practicable minimize and mitigate the

 will ensure that adequate funding for
 the plan will be provided; (4) the taking
 will not appreciably reduce the
 likelihood of survival and recovery of
 the species in the wild; and (5) any
 additional measures that NMFS finds
 necessary or appropriate for the
 purposes of the plan will be
 implemented. Authority to take listed
 species is subject to conditions set forth
 in the permits. Permits, modifications,
