We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed hearing request must be received successfully in its entirety by Commerce's electronic records system, ACCESS, by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.

Assessment Rates

For the companies for which this review is rescinded with these preliminary results, we will instruct CBP to assess antidumping duties on all appropriate entries at a rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period July 1, 2022, through June 30, 2023, in accordance with 19 CFR 351.212(c)(1)(i). We intend to issue assessment instructions to CBP for these companies no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

In addition, if we continue to find no POR shipments of subject merchandise for Best Nail/Shaoxing Bohui in the final results, any suspended entries of subject merchandise associated with this company will be liquidated at the China-wide rate.²⁰ For this company, we intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties occurred and the subsequent assessment of doubled antidumping duties, and/or an increase in the amount of the antidumping duties by the amount of the countervailing duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: March 26, 2024.

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On March 6, 2024, the U.S. Court of International Trade (CIT) issued its final judgment in *Star Pipe Products v. United States and ASC Engineered Solutions LLC.*, Court No. 17-00236, Slip Op. 24-28 (CIT March 6, 2024) (*Star Pipe Slip Op. 24-28*), sustaining the final remand results, of the U.S. Department of Commerce (Commerce), pertaining to the final scope ruling on certain non-malleable cast iron pipe fittings (pipe fittings) from the People's Republic of China (China). Commerce is therefore amending its Final Scope Ruling to find that ductile iron flanges exported by Star Pipe Products (Star Pipe) are not within the scope of the antidumping (AD) order on pipe fittings from China. Commerce is also notifying the public that the CIT's final judgment is not in harmony with the Final Scope Ruling.

DATES: Applicable March 16, 2024.

SUPPLEMENTARY INFORMATION:

Background

On August 17, 2017, Commerce issued its Final Scope Ruling on pipe fittings from China.¹ In its Final Scope Ruling, Commerce found that Star Pipe's ductile iron flanges were within the scope of the AD order² on pipe fittings from China.³ Star Pipe appealed Commerce's Final Scope Ruling. During the course of litigation, the CIT issued several remand orders culminating in *Star Pipe Products v. United States and ASC Engineered Solutions, LLC*, Court No. 17-00236, Slip Op. 22-127 (November 18, 2022) (*Star Pipe IV*). In *Star Pipe IV*, the CIT directed Commerce to issue a new determination, in a form that would go into effect if sustained upon judicial review, determining whether Star Pipe's ductile iron flanges are within the scope of the *Order*.⁴ Pursuant to the CIT's instructions, on remand, and under respectful protest, on December 16, 2022, Commerce found that Star Pipe's ductile iron flanges are outside the scope of the *Order*.⁵ On March 6, 2024, the CIT sustained Commerce's *Fourth Remand Redetermination*.⁶

harmony” with a Commerce determination and must suspend liquidation of entries pending a “conclusive” court decision. The CIT’s March 6, 2024, judgment constitutes a final decision of the CIT that is not in harmony with Commerce’s final scope ruling. This notice is published in fulfillment of the publication requirements of *Timken*.

Amended Final Scope Ruling

There is now a final scope decision with respect to the Star Pipe Final Scope Ruling. Therefore, Commerce is amending its Final Scope Ruling and finds that the scope of the *Order* does not cover the products addressed in the Star Pipe Final Scope Ruling. The period to appeal the CIT’s ruling expires on May 6, 2024. Commerce will instruct U.S. Customs and Border Protection (CBP) that, pending any appeals, the cash deposit rate will be zero percent for entries of Star Pipe’s ductile iron flanges from China. In accordance with the CIT’s order sustaining Commerce’s *Fourth Remand Redetermination*, Commerce intends to, with the publication of this notice, issue instructions to CBP to lift suspension of liquidation of such entries, and to liquidate entries of the ductile iron flanges without regard to antidumping duties, with consideration for any potential appeal of the CIT’s final judgement.
