ACTION: Final and temporary regulations.

SUMMARY: This document contains final and temporary regulations under section 6654 of the Internal Revenue Code (Code) relating to reduced estimated income tax payments for qualified individuals with small business income for any taxable year beginning in 2009. The temporary regulations implement changes to section 6654 made by the American Recovery and Reinvestment Act of 2009. The temporary regulations provide guidance for qualified individuals with small business income to certify that they satisfy the statutory gross income requirement for purposes of the reduction in their required 2009 estimated income tax payments. The text of the temporary regulations serves as the text of the proposed regulations set forth in the notice of proposed rulemaking on this subject in the Proposed Rules section in this issue of the **Federal Register**.

DATES: *Effective Date:* These regulations are effective on March 1, 2010.

Applicability Date: These regulations apply for any taxable year beginning in 2009.

SUPPLEMENTARY INFORMATION:**Background**

These temporary regulations contain amendments to the Income Tax

Regulations (26 CFR part 1) under section 6654(d) of the Code relating to the addition to tax for failure by an individual to pay estimated income tax. Section 6654(d)(1)(D) was added by section 1212 of Division B of the American Recovery and Reinvestment Act of 2009, Public Law 111–5 (123 Stat. 336 (2009)), effective for taxable years beginning in 2009.

Section 6654 imposes an addition to tax in the case of an individual taxpayer’s underpayment of estimated tax. Estimated tax is payable in four installments throughout the taxable year, and the amount of each required installment is generally 25 percent of the required annual payment of estimated tax. Under section 6654(d)(1)(B), the required annual payment is the lesser of (i) 90 percent of the tax shown on the income tax return for the taxable year (or, if no return is filed, 90 percent of the tax for the year) or (ii) 100 percent of the tax shown on the taxpayer’s return for the preceding taxable year (or 110 percent if the taxpayer’s adjusted gross income for the preceding taxable year exceeded \$150,000). The provision allowing for the payment of 100 (or 110) percent of the tax shown on the taxpayer’s return for the preceding taxable year does not apply if the preceding taxable year was less than 12 months or if the taxpayer did not file a return for that year.

Under section 6654(d)(1)(D), the applicable percentage of tax shown on the return for the preceding taxable year (either 100 or 110 percent) is reduced to 90 percent for qualified individuals for taxable years beginning in 2009. In other words, for taxable years beginning in 2009, a qualified individual’s annual required payment of estimated tax is the lesser of (i) 90 percent of the tax shown on the return for the 2009 taxable year (or, if no return is filed, 90 percent of the tax for the year) or (ii) 90 percent of the tax shown on the individual’s return for taxable year 2008.

Explanation of Provisions

The temporary regulations explain who is a qualified individual under section 6654(d)(1)(D) and how a taxpayer establishes that the taxpayer is a qualified individual. A qualified individual is any individual (1) whose adjusted gross income shown on the individual’s return for the preceding taxable year is less than \$500,000 and (2) who certifies that more than 50 percent of the gross income shown on that return was income from a small business. See section 6654(d)(1)(D)(ii). If an individual is married, within the meaning of section 7703, and files a separate return for a taxable year

beginning in 2009, then to qualify, the individual's adjusted gross income shown on the preceding year's return must be less than \$250,000, rather than \$500,000. See section 6654(d)(1)(D)(iv). Pursuant to section 6654(d)(1)(D)(ii)(II), the Secretary shall prescribe by regulation the form, manner, and time for filing a certification. Additionally, section 6654(m) authorizes the Secretary to prescribe regulations as necessary to carry out the purposes of section 6654.

Income from a small business is defined in general terms in section 6654(d)(1)(D)(iii) as income from a trade or business the average number of employees of which was less than 500 for calendar year 2008. The temporary regulations specify that the trade or business must be a bona fide trade or business of which the individual was an owner. The temporary regulations provide that a trade or business may be organized as, or take the legal form of, a corporation, partnership, limited liability company, or sole proprietorship.

The temporary regulations also provide that a qualified individual shall file a certification with the IRS in the manner and at the time prescribed in forms, publications, or other guidance, such as Form 2210, "Underpayment of Estimated Tax by Individuals, Estates, and Trusts" (or any successor form and its instructions).

The temporary regulations will be applicable for taxable years beginning in 2009. The reduced percentage in section 6654(d)(1)(D) is limited to taxable years beginning in 2009 and does not apply to taxable years beginning before or after 2009.

Special Analyses

It has been determined that this Treasury decision is not a significant regulatory action as defined in Executive Order 12866. Therefore, a regulatory assessment is not required. For the applicability of the Regulatory Flexibility Act, see the cross-referenced notice of proposed rulemaking published elsewhere in this issue of the **Federal Register**. Pursuant to section 7805(f) of the Code, this regulation has been submitted to the Chief Counsel for Advocacy of the Small Business Administration for comment on its impact on small business.
