

Additional Information

The BLM will identify, analyze, and consider mitigation to address the reasonably foreseeable impacts to resources from the proposed action and all analyzed reasonable alternatives and, in accordance with 40 CFR 1502.14(e), include appropriate mitigation measures not already included in the proposed action or alternatives. Mitigation may include avoidance, minimization, rectification, reduction or elimination over time, and compensation, and may be considered at multiple scales, including the landscape scale.

The BLM will utilize and coordinate the NEPA process to help support compliance with applicable procedural requirements under the Endangered Species Act (16 U.S.C. 1536) and section 106 of the NHPA (54 U.S.C. 306108) as provided in 36 CFR 800.2(d)(3), including public involvement requirements of section 106. Information about historic and cultural resources and threatened and endangered species within the area potentially affected by the proposed plan will assist the BLM in identifying and evaluating impacts to such resources.

The BLM will consult with Indian Tribal Nations on a government-to-government basis in accordance with Executive Order 13175, BLM MS 1780, and other Departmental policies. Tribal concerns, including impacts on Indian trust assets and potential impacts to cultural resources, will be given due consideration. Federal, State, and local agencies, along with Indian Tribal Nations and other stakeholders that may be interested in or affected by the proposed North Bullfrog Mine Project, are invited to participate in the scoping process and, if eligible, may request or be requested by the BLM to participate in the development of the environmental analysis as a cooperating agency.

Notice of Proposed Withdrawal Extensions and Opportunity for Public Meeting for the Castle Gardens Recreation Area and White Mountain Petroglyphs Site, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of proposed withdrawal extension.

SUMMARY: The Secretary of the Interior proposes to extend Public Land Order (PLO) No. 6578 and PLO No. 6597, each for an additional 20-year term, as requested by the Bureau of Land Management (BLM). PLO No. 6578, as extended by PLO No. 7612, withdrew 110 acres of BLM land from settlement, sale, location, or entry under the general land laws, including the United States mining laws, but not from leasing under the mineral leasing laws, to protect the recreational and aesthetic values of and the capital investments made in the Castle Garden Recreation Site in Washakie County, Wyoming. PLO No. 6597, as extended by PLO No. 7621, withdrew 20 acres of BLM land from settlement, sale, location, or entry under the general land laws, including the United States mining laws, but not from leasing under the mineral leasing laws, to protect the scientific, artistic, and educational values of the White Mountain Petroglyphs site in Sweetwater County, Wyoming. This Notice advises the public of an opportunity to comment on the two proposed withdrawal extensions and to request a public meeting for either of the proposals.

DATES: Comments and requests for a public meeting regarding the withdrawal applications must be received on or before July 8, 2024.

ADDRESSES: Comments and meeting requests should be sent to the BLM Wyoming State Director, 5353 Yellowstone Road, Cheyenne, Wyoming 82009.
