Title: The Special Leveraging Educational Assistance Partnership (SLEAP) Program.

Abstract: The SLEAP Program is a subprogram under the Leveraging Educational Assistance Partnership (LEAP) Program and was authorized by the 1998 Amendments to the Higher Education Act of 1965. On this application the states provide information the Department requires to obligate program funds and for program management. The signed assurances legally bind the States to administer the program according to statutory requirements.

Additional Information: Due to the time constraints of having to make awards to States by July 1, 2000 under the SLEAP Program, Education is requesting an emergency approval of this form for this initial year.
