#### **Citric Acid and Certain Citrate Salts From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2021-2022**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that RZBC Group Co., Ltd., RZBC Co., Ltd., RZBC Import & Export Co., Ltd., and RZBC (Juxian) Co., Ltd. (collectively, RZBC) did not make sales of citric acid and certain citrate salts (citric acid) from the People's Republic of China (China) at less than normal value during the period of review (POR) May 1, 2021, through April 30, 2022.

**DATES:** Applicable November 9, 2023.

**FOR FURTHER INFORMATION CONTACT:** Maisha Cryor, AD/CVD Operations, Office IV, Enforcement and Compliance, International Trade Administration, Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-5831.

#### **SUPPLEMENTARY INFORMATION:**

##### **Background**

Commerce published the *Preliminary Results* on July 10, 2023.<sup>1</sup> For a discussion of events subsequent to the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>2</sup> Commerce conducted this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).

<sup>1</sup> See *Citric Acid and Certain Citrate Salts from the People's Republic of China: Preliminary Results and Partial Rescission of the Antidumping Duty Administrative Review; 2021-2022*, 88 FR 43551 (July 10, 2023) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

<sup>2</sup> See Memorandum, "Issues and Decision Memorandum for the Final Results of the Administrative Review of the Antidumping Duty Order on Citric Acid and Certain Citrate Salts from the People's Republic of China; 2021-2022," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

##### **Scope of the Order**

The products covered by this order are citric acid from China. A full description of the scope of the order is provided in the Issues and Decision Memorandum.

##### **Analysis of Comments Received**

All issues raised an interested party's case brief are addressed in the Issues and Decision Memorandum. A list of these issues is attached as an appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

##### **Changes Since the Preliminary Results**

Based on our review of the record and comments received from an interested party regarding our *Preliminary Results*, we made two revisions to the margin calculation for RZBC as explained in Comments 1 and 2 of the Issues and Decision Memorandum.

##### **Final Results of Review**

Commerce determines that the following weighted-average dumping margin exists for RZBC for the period May 1, 2021, through April 30, 2022:

Exporter	Weighted-average dumping margin (percent)
RZBC .....	0.00

Because no party requested a review of the China-wide entity, and Commerce no longer considers the China-wide entity as an exporter conditionally subject to administrative reviews,<sup>3</sup> we did not conduct a review of the China-wide entity. Thus, the weighted-average dumping margin for the China-wide entity (*i.e.*, 156.87 percent)<sup>4</sup> is not subject to change as a result of this review.

##### **Disclosure**

We intend to disclose the calculations performed within five days of the date

<sup>3</sup> See *Antidumping Proceedings: Announcement of Change in Department Practice for Respondent Selection in Antidumping Duty Proceedings and Conditional Review of the Nonmarket Economy Entity in NME Antidumping Duty Proceedings*, 78 FR 65963, 65969-70 (November 4, 2013).

<sup>4</sup> See *Citric Acid and Certain Citrate Salts from Canada and the People's Republic of China: Antidumping Duty Orders*, 74 FR 25703 (May 29, 2009).

of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

##### **Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with these final results of review. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these final results. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Where the respondent reported reliable entered values, Commerce will calculate importer/customer-specific *ad valorem* assessment rates by aggregating the amount of dumping calculated for all U.S. sales to the importer/customer and dividing this amount by the total entered value of the merchandise sold to the importer/customer.<sup>5</sup> Where an importer- (or customer-) specific assessment rate is zero or *de minimis* (*i.e.*, less than 0.50 percent), Commerce will instruct CBP to assess that importer's (or customer's) entries of subject merchandise without regard to antidumping duties in accordance with 19 CFR 351.106(c)(2). For entries that were not reported in the U.S. sales database submitted by RZBC during this review, Commerce will instruct CBP to liquidate such entries at the antidumping duty assessment rate for the China-wide entity (*i.e.*, 156.87 percent).

##### **Cash Deposit Requirements**

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) for RZBC the cash deposit rate will be the rate listed above; (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding in which they were reviewed; (3) for all

<sup>5</sup> See 19 CFR 351.212(b)(1).

Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin for the China-wide entity (*i.e.*, 156.87 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own separate rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers Regarding the Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping and/or countervailing duties has occurred and the subsequent assessment of double antidumping duties, and/or an increase in the amount of antidumping duties by the amount of countervailing duties.

#### Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

#### Notification to Interested Parties

We are issuing and publishing these final results of administrative review and notice in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(5).

Dated: November 2, 2023.

##### Background

On July 7, 2023, Commerce published the preliminary results of the administrative review of the antidumping duty order on chlorinated isocyanurates (chlorinated isos) from Spain.<sup>1</sup> For a summary of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.<sup>2</sup> The sole mandatory respondent in this administrative review is Ercros S.A. (Ercros). The producers/exporters not selected for individual examination are listed in the

<sup>1</sup> See *Chlorinated Isocyanurates from Spain: Preliminary Results of Antidumping Duty Administrative Review; 2021–2022*, 88 FR 43305 (July 7, 2023) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

<sup>2</sup> See Memorandum, “Issues and Decision Memorandum for the Final Results of the Administrative Review of the Antidumping Duty Order on Chlorinated Isocyanurates from Spain; 2021–2022,” dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

“Final Results of Review” section of this notice.

#### Scope of the Order<sup>3</sup>

The products covered by the *Order* are chlorinated isos, which are derivatives of cyanuric acid, described as chlorinated s-triazine triones. Chlorinated isos are currently classifiable under subheadings 2933.69.6015, 2933.69.6021, 2933.69.6050, 3808.40.50, 3808.50.40 and 3808.94.5000 of the Harmonized Tariff Schedule of the United States (HTSUS). The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the *Order* is dispositive. For a full description of the scope of the order, see the Issues and Decision Memorandum.

#### Analysis of Comments Received

Commerce addressed all issues raised in the case and rebuttal briefs in the Issues and Decision Memorandum. These issues are identified in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

#### Changes Since the Preliminary Results

Based on our analysis of the comments received, we have made certain changes to the home market and margin calculations for Ercros since the *Preliminary Results*. Specifically, we have revised Ercros' home market program to include certain movement expenses and revised the margin program to change currency conversions for inland insurance and commissions.

#### Non-Individually Examined Companies

For the rate for non-selected companies in an administrative review, generally, Commerce looks to section 735(c)(5) of the Tariff Act of 1930, as amended (the Act), which provides instructions for calculating the all-others rate in a market economy investigation. Under section 735(c)(5)(A) of the Act, the all-others rate is normally “an amount equal to the weighted average of the estimated weighted average dumping margins
