This notice also lists the following information:

Title of Proposal: Local Appeals to Single-Family Mortgage Limits.

OMB Approval Number: 2502–0302.
Form Numbers: None.

Description of the Need for the Information and Its Proposed Use: Any interested party may submit a request for the mortgage limits to be increased in a particular area if they believe that

the present limit does not accurately reflect the higher sales prices in that area. Any request for an increase must be accompanied by sufficient housing sales price data to justify higher limits. Typically, this data includes housing sales data extracted from multiple listing services (MLS) that includes all or nearly all one-family and condominium sales in the area for a specified period of time, deleting all non-arms length sales and sales involving two or more family units. These requests are usually submitted by housing industry groups, such as homebuilders, realtors, and mortgage lenders. Most often, the housing sales price data is necessary to support a request for a higher mortgage limit that may be obtained from existing local industry sources, such as the real estate multiple listing services. The request for an increase to the mortgage limit is required to obtain benefits.

Frequency of Submission: On occasion.

Estimation of the total numbers of hours needed to prepare the information collection including number of respondents, frequency of response, and hours of response: The number of burden hours is 119. The number of respondents is 17, which is based on the actual number of requests received since 2008. The number of responses is 17 and the frequency of response is one per appeal. The burden hour per response is 7. The Federal government burden has reduced over the past 3 years. In 2010, only one appeal was received but rejected due to HUD having sufficient data in support of loan limit. In 2011, no appeals were received.

Total Estimated Burden Hours: 119.

Status: Extension without change of a currently approved collection.

Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. 35, as amended.

Dated: February 21, 2012.
