#### **Certain Steel Concrete Reinforcing Bars From Turkey; Notice of Extension of Time Limits for Preliminary Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** November 7, 2008.

#### **FOR FURTHER INFORMATION CONTACT:**

Elizabeth Eastwood, AD/CVD Operations, Office 2, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-3874.

#### **SUPPLEMENTARY INFORMATION:**

#### **Background**

On June 4, 2008, the Department of Commerce (the Department) published a notice of initiation of administrative review of the antidumping duty order on certain steel concrete reinforcing bars (rebar) from Turkey. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews and Requests for Revocation in Part*, 73 FR 31813 (June 4, 2008). The period of review is April 1, 2007, through March 31, 2008, and the preliminary results are currently due no later than December 31, 2008. The review covers seven producers/exporters of the subject merchandise to the United States.

#### **Extension of Time Limit for Preliminary Results**

Pursuant to section 751(a)(3)(A) of Tariff Act of 1930, as amended (the Act), the Department shall make a preliminary determination in an administrative review of an antidumping order within 245 days after the last day of the anniversary month of the date of publication of the order. Section 751(a)(3)(A) of the Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. We determine

that it is not practicable to complete this administrative review within the time limits mandated by section 751(a)(3)(A) of the Act. Although the Department has received the initial questionnaire responses from most of the respondents, upon review of the questionnaire responses, the Department believes it needs to issue supplemental questionnaires to clarify responses on the record. Preparing these supplemental questionnaires and analyzing the respondents' responses requires additional time. Therefore, we have fully extended the deadline for completing the preliminary results until April 30, 2009. The deadline for the final results of the review continues to be 120 days after the publication of the preliminary results.

This extension notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: November 3, 2008.

#### **Certain Steel Concrete Reinforcing Bars From Turkey; Final Results of Antidumping Duty Administrative Review and Determination To Revoke in Part**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**SUMMARY:** On May 5, 2008, the Department of Commerce (the Department) published the preliminary results of the administrative review of the antidumping duty order on certain steel concrete reinforcing bars (rebar) from Turkey. This review covers four producers/exporters of the subject merchandise to the United States. The period of review (POR) is April 1, 2006, through March 31, 2007.

Based on our analysis of the comments received and on our verification findings, we have made certain changes in the margin calculations. Therefore, the final results differ from the preliminary results. The final weighted-average dumping margins for the reviewed firms are listed below in the section entitled "Final Results of Review."

Finally, we have determined to revoke the antidumping duty order with
