ACTION: Privacy Act System of Records.

SUMMARY: Pursuant to the Privacy Act of 1974, the Department of Homeland

Security, U. S. Immigration and Customs Enforcement, is publishing this notice of system of records for the Department's ICE Pattern Analysis and Information Collection (ICEPIC) system. DATES: The established system of records will be effective February 29, 2008. A revised ICEPIC notice of system of records that addresses public comments, responds to OMB direction, and includes other ICE changes will be published not later than August 27, 2008 and will supersede this notice of system of records.
