Federal Aviation Administration

Deadline for Notification of Intent To Use the Airport Improvement Program (AIP) Sponsor, Cargo, and Nonprimary Entitlement Funds for Fiscal Year 2009

AGENCY: Federal Aviation
Administration, DOT.

ACTION: Notice.

SUMMARY: The Federal Aviation
Administration (FAA) announces
February 2, 2009, as the deadline for
each airport sponsor to notify the FAA
whether or not it will use its fiscal year
2009 entitlement funds available under
Public Law No. 110-330 to accomplish
Airport Improvement Program (AIP)-
eligible projects that the sponsor
previously identified through the
Airports Capital Improvement Plan
(ACIP) process during the preceding
year. If a sponsor does not declare their
intention regarding the use of fiscal year
2009 entitlement funds by February 2,
2009, FAA will be unable to take the
necessary actions to designate these as
"protected" carryover funds; these
funds will not be carried over without
a legislative enactment that provides an
additional AIP authorization and an
extension of the FAA's spending
authority from the Airport and Airway
Trust Fund beyond March 31, 2009.

FOR FURTHER INFORMATION CONTACT: Mr.
Frank J. San Martin, Manager, Airports
Financial Assistance Division, APP-
500, on (202) 267-3831.

SUPPLEMENTARY INFORMATION:

Title 49 of the United States Code,
section 47105(f), provides that the
sponsor of each airport to which funds
are apportioned shall notify the
Secretary by such time and in a form as
prescribed by the Secretary, of the
sponsor's intent to apply for the funds
apportioned to it (entitlements). This
notice applies only to those airports that
have had entitlement funds apportioned
to them, except those nonprimary
airports located in designated Block
Grant States. Sponsors intending to
apply for any of their available
entitlement funds, including those
unused from prior years, shall submit by
February 2, 2009, a written indication to
the designated Airports District Office
(or Regional Office in regions without
Airports District Offices) that they will
advertise, bid, and submit an
application prior to February 11, 2009,
or by the date established by the
designated Airport District or Regional
Office.

This notice is promulgated to
expedite and prioritize the grant-making
process. In the past when there has been
full-year funding for AIP, the FAA has
established a deadline of May 1 for an
airport sponsor to declare that it will
defer use of its entitlement funding.
Considering that Congress has
authorized the AIP program only until
March 31, 2009, i.e. into the middle of
a fiscal year, and uncertainty about
additional statutory action before the
end of the fiscal year, the FAA is
establishing February 2, 2009, as the
deadline for each airport sponsor to
notify the FAA whether or not it will
use its fiscal year 2009 entitlement
funds.

The AIP grant program is operating
under the requirements of Public Law
110-329, the "Consolidated Security,
Disaster Assistance, and Continuing
Appropriations Act, 2009", which is a
continuing resolution through March 6,
2009, and Public Law 110-330, the
"Federal Aviation Administration
Extension Act of 2008, Part II", enacted
on September 30, 2008, which amends
49 U.S.C. 48103, to extend AIP for a six-
month period beginning October 1, 2008
and ending on March 31, 2009. The
FAA's expenditure authority from the
Airport and Airway Trust Fund will
expire on March 31, 2009, in the
absence of an additional statutory
extension. Therefore, to avoid the risk of
not being able to carryover funds should
an additional extension not be enacted,

and to allow at least three days for accounting processing time, AIP funds should be obligated in FAA's accounting records on or before March 3, 2009.

Sponsors have three options available to them regarding AIP grants during this period. First, sponsors may elect to make an application for a grant based on entitlements currently available to them. Sponsors that elect to take such a grant must submit grant applications to the FAA no later than February 11, 2009, in order to meet the March 3, 2009 obligation deadline. Second, sponsors may elect to wait until after the February 2, 2009 notification date for protection of carryover entitlements. However, if a sponsor does not declare their intention regarding the use of fiscal year 2009 entitlement funds by the February 2, 2009 deadline, FAA will be unable to take the necessary actions to designate these as "protected" carryover funds, and these funds would not be carried over without a legislative enactment that provides additional AIP authorization for fiscal year 2009 and extends the FAA's spending authority from the Airport and Airway Trust Fund beyond March 31, 2009. Third, sponsors may elect to declare their intention to carryover the entitlements prior to the February 2, 2009 deadline through sending an acceptable written notification of such intention by February 2, 2009. Unused carryover entitlements that have been deferred will be available in fiscal year 2010 as provided in current law. FAA will then issue discretionary grants from the deferred entitlement funds pursuant to the authority and limitations in section 471 17(f).

If a statutory extension beyond March 31, 2009 of the AIP program and the FAA's authority to make expenditures from the Trust Fund is enacted, additional entitlement funds may be available to sponsors. In that case, airport sponsors who did not previously declare their intention to carryover the entitlements must provide a written indication to the designated Airports District Office (or Regional Office in regions without Airports District Offices) that they will either carryover or use their fiscal year 2009 entitlements by May 1, 2009.

Issued in Washington, DC on October 21, 2008.

Benito DeLeon,

Director, FAA Office of Airport Planning and Programming.
