In the event that the Commission concludes that neither applicant's plans are better adapted than the other, priority will be determined accordingly.

On June 8, 2010, at 2 p.m. (eastern time), the Secretary of the Commission, or her designee, will, by random drawing, determine the filing priority for the two applicants identified in this notice. The drawing is open to the public and will be held in room 2C, the Commission Meeting Room, located at 888 First St., NE., Washington, DC 20426. The results of the drawing will be recorded by the Secretary or her designee. A subsequent notice will be issued by the Secretary announcing the results of the drawing.
