

information, it must provide 30 days for public comment. Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)–(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983 Aug. 29, 1995. OMB believes the 30-day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect.

Comments are invited on the following ICR regarding: (1) whether the information collection activities are necessary for FRA to properly execute its functions, including whether the information will have practical utility; (2) the accuracy of FRA's estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the use of automated collection techniques or other forms of information technology.

The summary below describes the ICR that FRA will submit for OMB clearance as the PRA requires:

*Title:* Locomotive Crashworthiness.  
*OMB Control Number:* 2130–0564.

*Abstract:* Under 49 CFR part 229, subpart D, FRA prescribes minimum crashworthiness standards for locomotives. These crashworthiness standards are intended to help protect locomotive cab occupants in the event of a train collision or derailment. FRA uses this collection of information to ensure railroads operate locomotives that meet the prescribed minimum performance standards and design load requirements for newly manufactured and re-manufactured locomotives.

*Type of Request:* Extension without change (with changes in estimates) of a currently approved collection.

*Affected Public:* Businesses/Public/Interested Parties.

*Form(s):* N/A.

*Respondent Universe:* 783 railroads, 4 locomotive manufacturers.

*Frequency of Submission:* On occasion.

*Total Estimated Annual Responses:* 554.

*Total Estimated Annual Burden:* 407 hours.

*Total Estimated Annual Burden Hour Dollar Cost Equivalent:* \$34,960.

FRA informs all interested parties that it may not conduct or sponsor, and a respondent is not required to respond to, a collection of information that does not display a currently valid OMB control number.

*Authority:* 44 U.S.C. 3501–3520.

**Christopher S. Van Nostrand,**  
*Acting Deputy Chief Counsel.*

## DEPARTMENT OF TRANSPORTATION

### Federal Railroad Administration

[Docket No. FRA–2023–0002–N–43]

#### Proposed Agency Information Collection Activities; Comment Request

**AGENCY:** Federal Railroad Administration (FRA), Department of Transportation (DOT).

**ACTION:** Notice of information collection; request for comment.

**SUMMARY:** Under the Paperwork Reduction Act of 1995 (PRA) and its implementing regulations, this notice announces that FRA is forwarding the Information Collection Request (ICR) summarized below to the Office of Management and Budget (OMB) for review and comment. The ICR describes the information collection and its expected burden. On November 2, 2023, FRA published a notice providing a 60-day period for public comment on the ICR. FRA did not receive any substantive comment on this ICR.

**DATES:** Interested persons are invited to submit comments on or before February 23, 2024.

**ADDRESSES:** Written comments and recommendations for the proposed ICR should be sent within 30 days of publication of this notice to [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find the particular ICR by selecting “Currently under Review—Open for Public Comments” or by using the search function.

**FOR FURTHER INFORMATION CONTACT:** Ms. Arlette Mussington, Information Collection Clearance Officer, at email: [arlette.mussington@dot.gov](mailto:arlette.mussington@dot.gov) or telephone: (571) 609–1285 or Ms. Joanne Swafford, Information Collection Clearance Officer, at email: [joanne.swafford@dot.gov](mailto:joanne.swafford@dot.gov) or telephone: (757) 897–9908.

**SUPPLEMENTARY INFORMATION:** The PRA, 44 U.S.C. 3501–3520, and its implementing regulations, 5 CFR part

1320, require Federal agencies to issue two notices seeking public comment on information collection activities before OMB may approve paperwork packages. *See* 44 U.S.C. 3506, 3507; 5 CFR 1320.8 through 1320.12. On November 2, 2023, FRA published a 60-day notice in the **Federal Register** soliciting public comment on the ICR for which it is now seeking OMB approval. *See* 88 FR 75367. FRA received one comment filed under this docket number. However, the comment does not refer to this ICR, or any activity involving FRA, and appears to have been filed under this docket number by mistake.

Before OMB decides whether to approve this proposed collection of information, it must provide 30 days' notice for public comment. Federal law requires OMB to approve or disapprove paperwork packages between 30 and 60 days after the 30-day notice is published. 44 U.S.C. 3507(b)–(c); 5 CFR 1320.12(d); *see also* 60 FR 44978, 44983, Aug. 29, 1995. OMB believes the 30-day notice informs the regulated community to file relevant comments and affords the agency adequate time to digest public comments before it renders a decision. 60 FR 44983, Aug. 29, 1995. Therefore, respondents should submit their respective comments to OMB within 30 days of publication to best ensure having their full effect.

Comments are invited on the following ICR regarding: (1) whether the information collection activities are necessary for FRA to properly execute its functions, including whether the information will have practical utility; (2) the accuracy of FRA's estimates of the burden of the information collection activities, including the validity of the methodology and assumptions used to determine the estimates; (3) ways for FRA to enhance the quality, utility, and clarity of the information being collected; and (4) ways to minimize the burden of information collection activities on the public, including the use of automated collection techniques or other forms of information technology.

The summary below describes the ICR that FRA will submit for OMB clearance as the PRA requires:

*Title:* Reflectorization of Rail Freight Rolling Stock.

*OMB Control Number:* 2130–0566.

*Abstract:* FRA issued this regulation to mandate the reflectorization of freight rolling stock (properly installing retroreflective material on freight cars and locomotives) to enhance the visibility of trains to help reduce the number and severity of accidents at highway-rail grade crossings when

visibility is low.<sup>1</sup> FRA uses the information collected to verify that the person responsible for the car reporting mark is notified after the required visual inspection if the freight rail stock has less than 80 percent of the required retroreflective sheeting present, undamaged, or unobscured.

Moreover, FRA uses the information collected to verify that the required locomotive records of retroreflective sheeting defects found during required locomotive inspections are kept in the locomotive cab or in an electronic database that FRA can access upon request. Finally, FRA uses the information collected to help confirm railroads/car owners meet the prescribed standards for the inspection and maintenance of the required retroreflective material.

*Type of Request:* Extension without change of a currently approved collection.

*Affected Public:* Businesses (Railroads).

*Form(s):* N/A.

*Respondent Universe:* 783 railroads and freight car owners.

*Frequency of Submission:* On occasion/monthly.

*Total Estimated Annual Responses:* 36,001.

*Total Estimated Annual Burden:* 3,159 hours.

*Total Estimated Annual Burden Hour Dollar Cost Equivalent:* \$215,017.

FRA informs all interested parties that it may not conduct or sponsor, and a respondent is not required to respond to, a collection of information that does not display a currently valid OMB control number.

*Authority:* 44 U.S.C. 3501–3520.

**Christopher S. Van Nostrand,**  
*Acting Deputy Chief Counsel.*

## DEPARTMENT OF TRANSPORTATION

### Maritime Administration

[Docket No. MARAD–2023–0232]

#### Coastwise Endorsement Eligibility Determination for a Foreign-Built Vessel: BUTTERCUP (Motor); Invitation for Public Comments

**AGENCY:** Maritime Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** The Secretary of Transportation, as represented by the Maritime Administration (MARAD), is

authorized to issue coastwise endorsement eligibility determinations for foreign-built vessels which will carry no more than twelve passengers for hire. A request for such a determination has been received by MARAD. By this notice, MARAD seeks comments from interested parties as to any effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. Information about the requestor's vessel, including a brief description of the proposed service, is listed below.

**DATES:** Submit comments on or before February 23, 2024.

**ADDRESSES:** You may submit comments identified by DOT Docket Number MARAD–2023–0232 by any one of the following methods:

- *Federal eRulemaking Portal:* Go to <https://www.regulations.gov>. Search MARAD–2023–0232 and follow the instructions for submitting comments.

- *Mail or Hand Delivery:* Docket Management Facility is in the West Building, Ground Floor of the U.S. Department of Transportation. The Docket Management Facility location address is U.S. Department of Transportation, MARAD–2023–0232, 1200 New Jersey Avenue SE, West Building, Room W12–140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except on Federal holidays.

**Note:** If you mail or hand-deliver your comments, we recommend that you include your name and a mailing address, an email address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

**Instructions:** All submissions received must include the agency name and specific docket number. All comments received will be posted without change to the docket at [www.regulations.gov](https://www.regulations.gov), including any personal information provided. For detailed instructions on submitting comments, or to submit comments that are confidential in nature, see the section entitled Public Participation.

**FOR FURTHER INFORMATION CONTACT:** Patricia Hagerty, U.S. Department of Transportation, Maritime Administration, 1200 New Jersey Avenue SE, Room W23–461, Washington, DC 20590. Telephone: (202) 366–0903. Email: [patricia.hagerty@dot.gov](mailto:patricia.hagerty@dot.gov).

**SUPPLEMENTARY INFORMATION:** As described in the application, the intended service of the vessel BUTTERCUP is:

—*Intended Commercial Use of Vessel:*

Requester intends to use boat for cruises on Lake Champlain.

—*Geographic Region Including Base of Operations:* Vermont, New York. Base of Operations: Burlington, VT.

—*Vessel Length and Type:* 26' Motor.

The complete application is available for review identified in the DOT docket as MARAD 2023–0232 at <https://www.regulations.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD's regulations at 46 CFR part 388, that the employment of the vessel in the coastwise trade to carry no more than 12 passengers will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, MARAD will not issue an approval of the vessel's coastwise endorsement eligibility. Comments should refer to the vessel name, state the commenter's interest in the application, and address the eligibility criteria given in section 388.4 of MARAD's regulations at 46 CFR part 388.

### Public Participation

#### How do I submit comments?

Please submit your comments, including the attachments, following the instructions provided under the above heading entitled **ADDRESSES**. Be advised that it may take a few hours or even days for your comment to be reflected on the docket. In addition, your comments must be written in English. We encourage you to provide concise comments and you may attach additional documents as necessary. There is no limit on the length of the attachments.

#### Where do I go to read public comments, and find supporting information?

Go to the docket online at <https://www.regulations.gov>, keyword search MARAD–2023–0232 or visit the Docket Management Facility (see **ADDRESSES** for hours of operation). We recommend that you periodically check the Docket for new submissions and supporting material.

#### Will my comments be made available to the public?

Yes. Be aware that your entire comment, including your personal identifying information, will be made publicly available.

#### May I submit comments confidentially?

If you wish to submit comments under a claim of confidentiality, you

<sup>1</sup> See 70 FR 144, Jan. 3, 2005.
