

Total Estimated Number of Annual Responses: 1500.

Total Estimated Number of Annual Burden Hours: 3000.

Abstract: This information collection consists of the questions applicants answer related to operational and financial management when applying for grant funding for a new project or performance period. It is not required for grant continuation or renewal applicants. Applicants respond to the questions included in these instructions when applying for funding in certain grant competitions. AmeriCorps will use the information collection to support pre-award risk assessment of applicants for grant funding. AmeriCorps also seeks to continue using the currently approved information collection until the revised information collection is approved by OMB. The currently approved information collection is due to expire on September 30, 2024.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will

be available for public inspection on [regulations.gov](https://www.regulations.gov).

DEPARTMENT OF DEFENSE

Department of the Air Force

Notice of Intent To Prepare an Environmental Impact Statement for the 492nd Special Operations Wing Beddown at Davis-Monthan Air Force Base, Arizona

AGENCY: Department of the Air Force, lead Agency, Department of Defense.

ACTION: Notice of Intent.

SUMMARY: The Department of the Air Force (DAF) is issuing this Notice of Intent (NOI), in accordance with the National Environmental Policy Act (NEPA), to prepare an environmental impact statement (EIS) to evaluate the potential environmental impacts associated with transformation of the 492nd Special Operations Wing (492 SOW) into an Air Force Special Operations Command (AFSOC) Power Projection Wing (PPW) at Davis-Monthan Air Force Base (AFB), Arizona. This PPW would include the 492 SOW, the 6th and 319th Special Operations Squadrons, an MC–130J squadron, activation of an Intelligence Squadron (IS) under the Air Combat Command (ACC) 361st Intelligence, Surveillance, and Reconnaissance Group (361 ISRG), and Special Tactics and Special Operations Theater Air Operations Squadrons. The beddown of the 492 SOW is planned as a replacement mission for the A–10 aircraft at Davis-Monthan as they retire. There will likely be a short-term temporary overlap of the 492 SOW mission with the A–10s until their retirement is complete.

DATES: A public scoping period will take place starting from the date of this NOI publication in the **Federal Register** and will last for 30 days. Comments will be accepted at any time during the environmental impact analysis process; however, to ensure the DAF has sufficient time to consider public scoping comments during preparation of the Draft EIS, please submit comments within the 30-day scoping period.

The DAF invites the public, stakeholders, and other interested parties to attend the public scoping meeting. The in-person scoping meeting will be held on May 30 at the Tucson Convention Center, 260 S. Church Ave., Tucson, Arizona 85701. The in-person scoping meeting will take place from 5:30 p.m. to 7:30 p.m. local time. A virtual scoping meeting is scheduled for June 4 at 5:30 p.m. local time. Information on how to attend the virtual scoping meeting is available on the project website (www.492sow-beddown-eis.com). The scoping meetings will
