

received in response to this NOFA will be processed as follows:

1. New Construction Requests

New construction requests may be submitted to develop units in communities with a need for new rental housing as a result of the hurricanes. Applicants must provide documentation describing how the need for the housing is related to the hurricanes, for example, to replace housing that was lost or to provide affordable housing because of the loss of employment in the market area. Applications must be submitted to the Rural Development State office by the closing deadline, where they will be reviewed, scored, and ranked in accordance with 7 CFR part 1944, subpart E. States will provide a list of eligible applications to the National office for nationwide ranking and distribution of funds and RA. If new construction applications exceed the amount of available funds, preference in ranking will be given to applications to develop units in counties with the greatest number of approved disaster housing requests, based on data from the Federal Emergency Management Agency (FEMA).

New construction requests will be scored based on the following factors that are found in 7 CFR part 1944, subpart E:

(a) The presence and extent of leveraged assistance for the units that will serve RHS income-eligible tenants at basic rents comparable to those if RHS provided full financing, computed as a percentage of the RHS total development cost (TDC). RHS TDC excludes non-RHS eligible costs such as a developer's fee. Points will be awarded in accordance with the following table. (0 to 20 points)

Percentage of leveraging	Points
75 or more	20
70-74	19
65-69	18
60-64	17
55-59	16
50-54	15
45-49	14
40-44	13
35-39	12
30-34	11
25-29	10
20-24	9
15-19	8
10-14	7
5-9	6
0-4	0

(b) The units to be developed are in a colonia, tribal land, EZ, EC, or REAP community, or in a place identified in the State Consolidated Plan or State Needs Assessment as a high need

community for multifamily housing. ("State" in "State Consolidated Plan" and "State Needs Assessment" refers to the State government.) (20 points)

(c) The loan request includes donated land meeting the provisions of 7 CFR 1944.215(r)(4). (5 points)

2. Repair of Section 515 Properties or Replacement of Section 515 Units

Funds are available for requests to repair damage to section 515 properties caused by the hurricanes (funds may not be used for other non-hurricane related repair or rehabilitation needs), or to replace section 515 units destroyed by the hurricanes. The applicant must provide documentation that the damage was a result of the hurricanes.

C. Section 521 Rental Assistance (RA) for Needs Resulting From Hurricanes Dennis, Floyd, and Irene

Requests may be submitted for section 521 rental assistance (RA) as follows:

1. Requests for new construction funds may include a request for RA if needed for market feasibility.

2. Requests to repair or replace units may include a request for RA if the RA is needed as a result of the hurricanes, for example, because of a loss of jobs in the area due to hurricane damage.

3. Owners of section 515 properties who are not requesting funds may submit a RA-only request if RA is needed as a result of the hurricanes, for example, to assist tenants who have lost their jobs because of hurricane damage.

II. Funding Limits

Individual loan requests may not exceed \$1.5 million.

III. Application Process

All applications for funds and RA must be filed with the appropriate Rural Development State office and must meet the requirements of 7 CFR part 1944, subpart E and section IV of this NOFA. Incomplete applications will not be reviewed and will be returned to the applicant. No application will be accepted after 5:00 p.m., local time, on the application deadline previously mentioned unless the date and time is extended by a Notice published in the **Federal Register**.

IV. Application Submission Requirements

A. Each application shall include all of the information, materials, forms and exhibits required by 7 CFR part 1944, subpart E, as well as comply with the provisions of this NOFA. Applicants are encouraged, but not required, to include a checklist and to have their applications indexed and tabbed to

facilitate the review process. The Rural Development State office will base its determination of completeness of the application and the eligibility of each applicant on the information provided in the application.

B. Applicants are advised to contact the Rural Development State office serving the place in which they desire to submit an application to obtain an application package.

V. Administrator's Reserve Requests

An amount of \$6,000,000 and any funds remaining from this NOFA will be placed in the Administrator's reserve and will be available until expended for needs resulting from hurricanes Dennis, Floyd, and Irene. Applications for the reserve must meet the application requirements described in this NOFA and, in addition, must provide documentation describing the reasons they were not able to be submitted by the NOFA deadline, for example, because of site or infrastructure issues. Applications will be reviewed, scored, and ranked by States in accordance with 7 CFR part 1944, subpart E. As applications are received and ranked, States will provide a list to the National Office for nationwide ranking and distribution of funds. The National ranking and distribution of funds will be done at the end of each 60-day period following the close of this NOFA until all funds are expended.
