Dated: April 15, 2010.

Donald Laverdure,

Deputy Assistant Secretary—Indian Affairs.

The Liquor Control Ordinance of the Prairie Band Potawatomi Nation reads as follows:

Liquor Control Ordinance of the Prairie Band Potawatomi Nation

Introduction

Title. This ordinance shall be known as the "Prairie Band Potawatomi Liquor Control Ordinance."

Authority. This ordinance is enacted pursuant to the Act of August 15, 1953, 67 Stat. 586, codified at 18 U.S.C. Sec. 1161, by the authority of the Prairie Band Potawatomi Tribal Council under the Constitution of the Prairie Band Potawatomi Nation, Article V, Sections 1(g) and (i).

General Purpose. The purpose of this ordinance is to provide civil laws for the tribal regulation and control of liquor within the Prairie Band Potawatomi Reservation. The enactment of this ordinance governing liquor on the Reservation will increase the ability of the tribal government to control the sale, distribution and possession of liquor and will provide revenue for the continued operation and strengthening of the tribal government and the delivery of tribal government services for the regulation of liquor and the treatment and reduction of alcohol abuse and related social problems on

the Reservation. The civil penalties, taxes and other liabilities imposed by this ordinance are reasonably necessary and related to the expense of governmental administration necessary to maintain law and order and public health and safety on the Reservation. It is the legislative intent of the Tribal Council that all violations of this ordinance, whether committed by tribal members, non-member Indians or non-Indians be considered civil in nature rather than criminal.

Article I. Declaration of Public Policy and Purposes

(1) The introduction, possession, and sale of liquor on the Prairie Band Potawatomi Reservation are matters of special concern to the Prairie Band Potawatomi Nation.

(2) Federal law prohibits the introduction of liquor into Indian Country (18 U.S.C. Sec. 1154 and other statutes), except as provided therein, and expressly affirms and delegates to Tribes the governmental authority to regulate and control liquor on Indian Reservations. (18 U.S.C. Sec. 1161)

(3) Legislative Findings. The Tribal Council finds that a need exists for strict regulation and control over liquor transactions within the Reservation because of the many problems associated with the sale, possession, distribution, and consumption of liquor. The Tribal Council finds that tribal control and regulation of liquor is necessary to address serious social problems relating to alcohol use on the Reservation. This ordinance is intended to protect the members of the Nation on the Reservation by prohibiting and regulating conduct that threatens and directly affects their health, safety and welfare. The Tribal Council further finds that:

(a) Alcohol abuse is a serious problem on the Reservation. Alcohol abuse leads to frequent early loss of life and morbidity among tribal members and other residents of the Reservation. For example, the accident death rates due to homicide, suicide, motor vehicle accidents and diseases related to alcohol abuse are several times higher among tribal members than among the general population of the United States, and a great number of the serious trauma cases treated by the Indian Health Service (IHS) on reservations are alcohol related. According to the IHS, the rates for the Nation's adults with alcohol
