- I. Introduction
- II. Notice of Filing
- III. Ordering Paragraphs

I. Introduction

On August 3, 2011, the Postal Service filed a notice announcing that it has entered into an additional Global Reseller Expedited Package (GREP) contract.¹ The Postal Service asserts that the instant contract is functionally equivalent to the GREP baseline agreement and is supported by Governors’ Decision No. 10–1 attached to the Notice and originally filed in Docket No. CP2010–36. *Id.* at 1, Attachment 3. The Notice explains that Order No. 445, which established GREP Contracts 1 as a product, also authorized functionally equivalent agreements to be included within the product, provided that they meet the requirements of 39 U.S.C. 3633. *Id.* at 1–2. Additionally, the Postal Service requested to have the contract in Docket No. CP2010–36 serve as the baseline contract for future functional equivalence analyses of the GREP Contracts 1 product.

The instant contract. The Postal Service filed the instant contract pursuant to 39 CFR 3015.5. In addition, the Postal Service contends that the instant contract is in accordance with Order No. 445. The Postal Service will notify the mailer of the effective date within 30 days after all necessary regulatory approvals have been received. Notice at 3, Attachment 1 at 5. The term of the contract is one year from the effective date. It may, however, be terminated by either party on not less than 30 days’ written notice. *Id.*

¹ Notice of United States Postal Service of Filing a Functionally Equivalent Global Reseller Expedited Package Negotiated Service Agreement and Application For Non-Public Treatment of Materials Filed Under Seal, August 3, 2011 (Notice).

In support of its Notice, the Postal Service filed four attachments as follows:

- Attachment 1—a redacted copy of the contract and applicable annexes;
- Attachment 2—a redacted copy of a certified statement required by 39 CFR 3015.5(c)(2);
- Attachment 3—a redacted copy of Governors’ Decision No. 10–1, which establishes prices and classifications for GREP contracts, a description of applicable GREP contracts, formulas for prices, an analysis of the formulas, and certification of the Governors’ vote; and
- Attachment 4—an application for non-public treatment of materials to maintain redacted portions of the contract and supporting documents under seal.

The Notice advances reasons why the instant GREP contract fits within the Mail Classification Schedule language for GREP Contracts 1. The Postal Service states that the instant contract differs from the contract in Docket No. CP2010–36 pertaining to customer-specific information, *e.g.*, customer’s name, address, representative, signatory, definition of qualifying mail, discounts offered by the reseller, minimum revenue, periodic review of minimum commitment, assignment, number of rate groups and annexes, and solicitation of reseller’s customers. *Id.* at 4–6. It states that the differences, which include price variations based on updated costing information and volume commitments, do not alter the contract’s functional equivalency. *Id.* at 4. The Postal Service asserts that “[b]ecause the agreement incorporates the same cost attributes and methodology, the relevant characteristics of this GREP contract are similar, if not the same, as the relevant characteristics of the contract filed in Docket No. CP2010–36.” *Id.*

The Postal Service concludes that its filing demonstrates that the new GREP contract complies with the requirements of 39 U.S.C. 3633 and is functionally equivalent to the baseline GREP contract. It states that the differences do not affect the services being offered or the fundamental structure of the contract. Therefore, it requests that the instant contract be included within the GREP Contracts 1 product. *Id.* at 6.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, pursuant to 39 U.S.C. 404(d), on August 3, 2011, the Commission received a petition for review of the Postal Service's determination to close the post office in Ulman, Missouri. The petition was filed by Buster McGowin (Petitioner) and is postmarked July 25, 2011. The Commission hereby institutes a proceeding under 39 U.S.C. 404(d)(5) and establishes Docket No. A2011-39 to consider Petitioner's appeal. If Petitioner would like to further explain his position with supplemental information or facts, Petitioner may either file a Participant Statement on PRC Form 61 or file a brief with the Commission no later than September 7, 2011.

Categories of issues apparently raised. Petitioner contends that: (1) the Postal Service failed to consider whether or not it will continue to provide a maximum degree of effective and regular postal services to the community (see 39 U.S.C. 404(d)(2)(A)(iii)); and (2) the Postal Service failed to adequately consider the economic savings resulting from the closure (see 39 U.S.C. 404(d)(2)(A)(iv)).

After the Postal Service files the administrative record and the Commission reviews it, the Commission may find that there are more legal issues than those set forth above, or that the Postal Service's determination disposes of one or more of those issues. The deadline for the Postal Service to file the applicable administrative record with the Commission is August 18, 2011. See 39 CFR 3001.113. In addition, the due date for any responsive pleading by the Postal Service to this notice is August 18, 2011.
