

Designation (DHS Form 10008), Application for SAFETY Act Certification (DHS Form 10007), SAFETY Act Block Designation Application (DHS Form 10005), SAFETY Act Block Certification Application (DHS Form 10004) until 31 March 2013 with OMB approval number 1640-0001.

The Department is committed to improving its information collection and urges all interested parties to suggest how these materials can further reduce burden while seeking necessary information under the Act.

DHS is particularly interested in comments that:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Suggest ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) Suggest ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Overview of Information Collection

(1) *Type of Information Collection:* Existing information collection.

(2) *Title of the Form/Collection:* SAFETY Act Program.

(3) *Agency Form Number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection:* DHS Science & Technology Directorate, DHS Forms 10001, 10002, 10003, 10004, 10005, 10006, 10007, 10008, 10009, 10010, and 10057.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Business entities, Associations, and State, Local and Tribal Government entities. Applications are reviewed for benefits, technology/program evaluations, and regulatory compliance.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:*

a. *Estimate of the total number of respondents:* 950.

b. *An estimate of the time for an average respondent to respond:* 18.2 burden hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 17,300 burden hours.

Dated: May 16, 2014.

Rick Stevens,

Chief Information Officer for Science and Technology.

BILLING CODE 9110-9F-P

DEPARTMENT OF HOMELAND SECURITY

Announcement of Requirements and Registration for the National Radiological and Nuclear Detection Challenge; Correction

AGENCY: Domestic Nuclear Detection Office, DHS.

ACTION: Notice; amendment.

Authority: 15 U.S.C. 3719.

SUMMARY: DNDO published a notice in the **Federal Register** of May 8, 2013, to announce the National Radiological and Nuclear Detection Challenge (Rad/Nuc Challenge), a participation challenge being conducted under the America Competes Reauthorization Act, for state, local, and tribal law enforcement, other first responders, public safety officials, and Civil Support Team members. This event was postponed and a correction was published in the **Federal Register** of July 30, 2013. This event has now been cancelled requiring an additional amendment to the original notice.

FOR FURTHER INFORMATION CONTACT: Timothy Smith, (202) 254-7297, Radnucchallenge@hq.dhs.gov.

Amendment

Amend FR Doc. 2013-10928 as follows:

On May 8, 2013, the Department of Homeland Security (DHS), Domestic Nuclear Detection Office (DNDO), announced the National Radiological and Nuclear Detection Challenge (Rad/Nuc Challenge), a participation challenge authorized under 15 U.S.C. 3719(c)(3), for state, local, and tribal law enforcement, other first responders, public safety officials, and Civil Support Team members. In lieu of hosting a separate standalone Rad/Nuc Challenge, DNDO will work with the Urban Area Security Initiative competition, Urban Shield, to incorporate a radiological and nuclear detection competitive exercise. This notice formally cancels the Rad/Nuc Challenge.

SUPPLEMENTARY INFORMATION: The purpose of the Rad/Nuc Challenge was to increase proficiency, improve Concepts of Operations, and promote proper use of radiological and nuclear detection equipment by state and local agencies in support of the domestic radiological and nuclear detection mission to prevent the illicit use and/or movement of radioactive materials within the United States. By integrating into existing competitive exercises like Urban Shield, DNDO will provide a similar competitive exercise format that will continue to promote the radiological and nuclear detection mission.

DNDO will provide announcements on opportunities to participate in competitive radiological and nuclear detection exercises to a community distribution list.

To be added to the email distribution list for radiological and nuclear detection competitive event announcements, or for additional information, please contact Timothy Smith, DHS, DNDO, by email at radnucchallenge@hq.dhs.gov.

Dated: April 25, 2014.

Huban A. Gowadia,

Director, Domestic Nuclear Detection Office.

BILLING CODE 9111-14-P

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-5750-N-22]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Juanita Perry, Department of Housing and Urban Development, 451 Seventh Street SW., Room 7266, Washington, DC 20410; telephone (202) 402-3970; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, and suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been

reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Where property is described as for "off-site use only" recipients of the property will be required to relocate the building to their own site at their own expense. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Theresa Ritta, Ms. Theresa M. Ritta, Chief Real Property Branch, the Department of Health and Human Services, Room 5B-17, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857, (301)-443-2265 (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-

800-927-7588 for detailed instructions or write a letter to Ann Marie Oliva at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (i.e., acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: ARMY: Ms. Veronica Rines, Office of the Assistant Chief of Staff for Installation Management, Department of Army, Room 5A128, 600 Army Pentagon, Washington, DC 20310, (571)-256-8145; (This is not a toll-free number).

Dated: May 22, 2014.

Ann Marie Oliva,

Deputy Assistant Secretary (Acting), for Special Needs.
