§ 1774.17 Grant closing and disbursement.

(a) *Grant closing.* RUS Bulletin 1780-12 "Water or Waste System Grant Agreement" will be completed and executed in accordance with the requirements of grant approval. The grant will be considered closed when RUS Bulletin 1780-12 has been properly executed. Processing officials or Approval officials are authorized to sign the grant agreement on behalf of RUS.

(b) *Grant disbursements.* Agency policy is not to disburse grant funds from the Treasury until they are actually needed by the applicant. If an approved grant includes applicant or other contributions, then these funds will be disbursed before the disbursal of any Agency grant funds.

(c) *Payment for project costs.* Project costs will be monitored by the RUS processing office. Invoices will be approved by the borrower and submitted to the Processing Official for concurrence. The review and acceptance of project costs by the Agency does not attest to the correctness of the amounts, the quantities shown or that the work has been performed under the terms of the agreements or contracts.

(d) *Use of remaining funds.* Funds remaining after all costs incident to the basic project have been paid or provided for will not include applicant contributions if SEARCH grants funds are financing less than 100 percent of the project. Funds remaining may be considered in direct proportion to the amounts obtained from each source. Remaining funds will be handled as follows:

(1) Remaining funds may be used for eligible grant purposes as described in 1774.14 of this subpart, or

(2) Grant funds not expended will be canceled. Prior to the actual cancellation, the borrower, its attorney and its engineer will be notified of RUS' intent to cancel the remaining funds.

All Agency grantees will follow the reporting requirements as outlined in 7 CFR 1780.47.

§ 1774.19 Applications determined ineligible.

If at any time an application is determined ineligible, the processing office will notify the applicant in writing of the reasons. The notification to the applicant will state that an appeal of this decision may be made by the applicant under 7 CFR part 11.

§ 1774.20 Conflict of Interest.

Any processing or servicing activity conducted pursuant to this part involving authorized assistance to Rural Development employees with Water and Environmental Programs responsibility, members of their families, known close relatives, or business or close personal associates, is subject to the provisions of subpart D of part 1900 of this title. Applicants of this assistance are required to identify any known relationship or association with an RUS employee.

The Administrator may, in individual cases, make an exception to any requirement or provision of this part which is not inconsistent with the authorizing statute or other applicable law and is determined to be in the Government's interest. Requests for exceptions must be made in writing by the State Director and supported with documentation to explain the adverse effect on the Government's interest, propose alternative course(s) of action, and show how the adverse affect will be eliminated or minimized if the exception is granted. The exception decision will be documented in writing, signed by the Administrator, and retained in the files.

§ 1774.25-1774.99 [Reserved]

§ 1774.100 OMB Control Number.

The information collection requirements in this part will not be effective until approved by the Office of Management and Budget (OMB), subject to the submission of a paperwork package to OMB and assigned an OMB Control Number.

FARM CREDIT ADMINISTRATION

12 CFR Parts 604, 607, 612, 614, 615, 618, and 627

RIN 3052-AC63

Farm Credit Administration Board Meetings; Assessment and Apportionment of Administrative Expenses; Standards of Conduct and Referral of Known or Suspected Criminal Violations; Loan Policies and Operations; Funding and Fiscal Affairs, Loan Policies and Operations, and Funding Operations; General Provisions; and Title IV Conservators, Receivers, and Voluntary Liquidations; Technical Changes

AGENCY: Farm Credit Administration.

ACTION: Direct final rule.

SUMMARY: The Farm Credit Administration (FCA or Agency) amends the current regulations in parts 604, 607, 612, 614, 615, 618, and 627 to eliminate unnecessary, redundant or outdated regulations, to correct cross-reference errors, and to clarify the intent of a regulatory provision. This direct final rule covers issues that are technical in nature.

DATES: If no significant adverse comment is received on or before July 26, 2010, these regulations shall be effective upon the expiration of 30 days after publication in the **Federal Register** during which either or both Houses of Congress are in session. We will publish notice of the effective date in the **Federal Register**. If we receive significant adverse comment on an amendment, paragraph, or section of this rule, and that provision may be addressed separately from the remainder of the rule, we will withdraw that amendment, paragraph, or section and adopt as final those provisions of the rule that are not the subject of a significant comment. In such a case, we would then inform you of how we expect to continue further rulemaking on the provisions that were the subject of significant adverse comment.

Jacqueline R. Melvin, Policy Analyst, Office of Regulatory Policy, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4498, TTY (703) 883-4434, or

Mary Alice Donner, Senior Attorney, Office of General Counsel, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4020, TTY (703) 883-4020.

SUPPLEMENTARY INFORMATION:

I. Objective

The objective of this direct final rule is to carry out the FCA Board's commitment to the principles contained in the Board's Policy Statement on Regulatory Philosophy,¹ which includes the elimination of outdated regulations and technical amendments to ensure that regulations are accurate. In furtherance of this objective, the Agency is making a number of technical changes to its regulations.

II. Section-by-Section Analysis

A. Section 604.420(i)(1)—Farm Credit Administration Board Meetings; § 607.2(j)—Assessment and Apportionment of Administrative Expenses; § 612.2300(a)—Standards of Conduct and Referral of Known or Suspected Criminal Violations; §§ 615.5030(b) and 615.5560—Funding and Fiscal Affairs, Loan Policies and Operations, and Funding Operations; and § 627.2705(b)—Title IV Conservators, Receivers, and Voluntary Liquidations

In each of the above-listed sections, the direct final rule eliminates obsolete references or deletes obsolete regulations that directly or indirectly relate to either the Farm Credit System Assistance Board (Assistance Board) or the Farm Credit System Financial Assistance Corporation (Financial Assistance Corporation or FAC). The Assistance Board's charter was cancelled by the FCA Board, effective December 31, 1992, as required by section 6.12 of the Farm Credit Act of 1971, as amended (Act). In addition, the Financial Assistance Corporation's charter was cancelled by the FCA Board on December 31, 2006.

B. Section 614.4265(d)(Subpart F)—Collateral Evaluation Requirements

The direct final rule amends § 614.4265(d) to correctly reference paragraph (c) of that section regarding the evaluation of the income-earning and debt-servicing capacity for real property.

C. Sections 614.4510, 614.4512, and 614.4513 (Subpart N)—Loan Servicing Requirements; State Agricultural Loan Mediation Programs; Right of First Refusal

We previously removed §§ 614.4514 through 614.4522 of subpart N, part 614, and redesignated them to the newly created part 617 to make the borrower rights rules more readily identifiable; however, we overlooked §§ 614.4510, 614.4512 and 614.4513 in the

relocation.² Therefore, this direct final rule redesignates the remaining regulations, § 614.4510 and § 614.4513 of subpart N, part 614, to § 614.4170 and § 614.4175 of subpart D, part 614. In addition, the definitions in subpart N, part 614, in § 614.4512 are redundant and are removed.

D. Section 618.8320 (Subpart G)—Releasing Information

The direct final rule amends § 618.8320(b)(4) by inserting the phrase “, administration of credit,” after “extension of credit”. This is a technical change that does not alter the intended meaning of the provision but clarifies that borrower information that is shared in connection with the extension of credit and the collection of loans would also necessarily include the administration of credit for the confidential use of Farm Credit System (System) institutions.

E. Section 627.2735 (Subpart B)—Notice to Holders of Uninsured Accounts and Stockholders

The direct final rule amends § 627.2735(a) by deleting the reference to § 614.4513 and replacing it with § 614.4175 to conform to the redesignation of that provision described in part C of this preamble.

III. Direct Final Rule

We are amending regulations described in the “Section-by-Section Analysis” above by a direct final rulemaking. The Administrative Conference of the United States recommends direct final rulemaking for Federal agencies to enact noncontroversial regulations on an expedited basis, without the usual notice and comment period.³ This process enables us to reduce the time and resources we need to develop, review, and publish a final rule while still affording the public an adequate opportunity to comment or object to the rule.

In a direct final rulemaking, we notify the public that the rule will become final on a specified date unless we receive a significant adverse comment during the comment period. A significant adverse comment is one where the commenter explains why the rule would be inappropriate (including challenges to its underlying premise or approach), ineffective, or unacceptable without a change. In general, a significant adverse comment would

raise an issue serious enough to warrant a substantive response from the Agency in a notice-and-comment proceeding.

We believe that a direct final rulemaking is the appropriate method for amending the regulations in Section II above because the changes are technical in nature and do not substantively alter the rights or responsibilities of any party. We do not anticipate there will be significant adverse comments. If, however, we receive a significant adverse comment during the comment period, we will publish a notice of withdrawal of the relevant provisions of this rule that will also indicate how further rulemaking will proceed. If we receive no significant adverse comments, we will publish notice of the effective date of the rule following the required Congressional waiting period under section 5.17(c)(1) of the Farm Credit Act of 1971, as amended.

IV. Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the FCA hereby certifies that the direct final rule will not have a significant economic impact on a substantial number of small entities. Each of the banks in the System, considered together with its affiliated associations, has assets and annual income in excess of the amounts that would qualify them as small entities. Therefore, System institutions are not “small entities” as defined in the Regulatory Flexibility Act.
